Horner,2021-01-25 A change of season is fast approaching A new revelatory flow is going to appear and I am letting you know so you will be aware of the change Heaven says Nevertheless continue what you are doing stepping into and expanding in What you are creating with the Father will expand people s understanding and give them a surfboard to surf on the wave of God that is coming into the earth for the people of God those whom He has called They will need a surfboard to stand upon to surf the new wave of God that is coming It is the new wave of the membership of the body the new wave of a divine remembering of who the Bride really is and what she is here to do It is a new wave of coping with what the enemy stirs up and even releases from Counsels of Darkness that is already overcome by the overcomers in Jesus Heaven said these words to me recently and this book is a compilation of some of the things Heaven shared Step in and be refreshed by what Heaven has to say The Glory Now Revealed Andrew M. Davis,2021-10-19 Believers know that when we die we enter

heaven and will spend eternity there with God and the saints who have gone before us But what actually happens in heaven What are we going to be doing there Won't it get boring at some point According to Scripture a large part of our experience of heaven will be a continual revealing of God's glory Not just his glory in the moment but during all of time The mysteries of providence the hidden movements of God throughout history and the forgotten and unnoted works of even the most obscure of God's people will be unveiled so that we can see how wise loving gracious and powerful our God is And though we will experience perfection in heaven we will never be omniscient which means we will always be learning more about God's glory inspiring us to return joyful praise and thanksgiving If your vision of heaven has been limited to clouds and harps and angels it's time to expand that view with the truth found in this biblically based look at the afterlife [A Divine Revelation of Heaven](#) Mary K. Baxter, T. L. Lowery, 1998-07-01 Caught Up into Heaven In A Divine Revelation of Heaven after thirty nights in which God gave her visions of the depths of hell and the punishments of the lost Mary K Baxter was shown for ten nights the glories of heaven the home of redeemed souls Included in this book are her depictions of heaven's gates angels music worship storehouses of blessings joyful heavenly citizens four living creatures from the book of Revelation and brilliant throne of God Mary also describes heaven's perfect order and purpose what happens to children and much more These breathtaking glimpses of heaven interspersed with applicable Bible verses will turn your heart toward the beauty and joy that await every believer in Christ

The BOOK of HEAVEN Daniel PROK, 2021-04-04 It is a glorious and magnificent blessing to share this Heavenly message with you This is the third book that has been written in a similar way as Divine messages were received by me to share with you and the World The first book is called The Book of Love The second is called The Book of Light And this book is The Book of Heaven Let me share the story of how these books came to be On October 31 2020 while staying in Angel Valley near Sedona Arizona I met a group of women on a retreat who seemed very familiar to me even though I had just met them One of them mentioned that she heard of a book called The Book of Love by Jesus Since I love Jesus I said That sounds amazing Where can I get that book She said I heard the book got destroyed or removed from the Alexandria Library Intrigued I asked So have you read it She said No Then I asked Do you know where I can get it She answered No But after a few seconds she said But if you want it you'll find it At that point I remember thinking to myself Jesus I want that book The following morning I was in my cabin preparing for the day and I heard a gentle voice in my mind say The Book of Love by Jesus the Christ Channeled by Daniel Prok My Beloved It is with great Love that I share these ideas with you I had a sense that it was a message of great importance so I grabbed my microphone to record it I closed my eyes and took deep breaths to clear my mind and as the words dropped into my mind I spoke the words out loud It was as though I was reading a speech that was written by Jesus And forty minutes later the initial message was complete I sat there for several minutes in what felt like a glowing ball of loving energy My body and everything around me looked and felt radiant Then Chapter 2 started to load into my mind So I continued the process and downloaded the full audio of The Book of Love A

few weeks later back in Sedona the words of The Book of Light dropped into my mind in a similar way And about two months after that while back at my home in La Jolla California The Book of Heaven was received These books are written to connect you to Your Divinity and help you create what God has always intended for your life to be A Glorious and Magnificent Masterpiece where you are so connected to God in all aspects of Yourself that you transcend the discordant conditioning that you have received in your life and you create Heaven on Earth for yourself and for all of Humanity But how do we know that it s Jesus you may ask I know from the way the messages came into my mind and then through my Heart and Soul The warmth of the Loving energy of Jesus is beyond anything I have felt in my human form Also the words of these books are so Divinely stated that it is beyond me to come up with something this magnificent As for you you will have a knowing as you read the words Feel them with your Heart and Soul Feel them with the depths of your Being You will know In addition if you want to see further evidence of how these messages are received through me find my YouTube channel under Daniel Prok There you will find a series of videos where I filmed myself channeling the chapters of The Book of Heaven And when you watch those videos you will see how the messages come through me They are not messages that my human mind has constructed they are messages that have come through me from a Higher Power The Book of Heaven will bless you as you read it and fortify your connection to God as your Human Self and God Self are Unified as ONE SELF Daniel Prok The BOOK of HEAVEN Daniel Prok,2022-04-23 The most Beautiful Book ever written about Heaven on Earth here and now for You and all of Humanity a true Masterpiece
