## **Korea The Impossible Country:**

**Korea: The Impossible Country** Daniel Tudor, 2012-11-10 ING\_08 Review quote      **Korea: the Impossible Country** Daniel Tudor, 2018 Long overshadowed by Japan and China South Korea is a small country that happens to be one of the great national success stories of the postwar period From a failed state with no democratic tradition ruined and partitioned by war and sapped by a half century of colonial rule South Korea transformed itself in just fifty years into an economic powerhouse and a democracy that serves as a model for other countries With no natural resources and a tradition of authoritarian rule Korea managed to accomplish a second Asian miracle The author is a journalist who has lived in and written about Korea for almost a decade In this book he examines Korea's cultural foundations the Korean character the public sphere in politics business and the workplace as well as the family dating and marriage In doing so he touches on topics as diverse as shamanism clanism the dilemma posed by North Korea the myths about doing business in Korea the Koreans renowned hard partying ethos and why the infatuation with learning English is now causing huge social problems

Global Perspectives on Press Regulation, Volume 2 Paul Wragg, András Koltay, 2024-02-22 In this ground breaking two volume set world leading experts produce a rich authoritative depiction of the world's press its freedom and its limits We want press freedom but we also want freedom from the press A powerful press may expose corrupt government or aid it It may champion citizens or unfairly attack them A vulnerable press may lack supporters and succumb to conformity It may resist and overcome tyranny According to common belief press freedom involves social responsibilities to equip public debate and render government transparent Is this attitude valid given that the press is usually a private commercial actor Globally the health authority and viability of the press varies dramatically These patterns do not conform to traditional divisions between North and South East and West Instead they are much more complex How do we measure successful press regulation What concessions can the state and or society demand of the press What constitutes the irreducible core of press freedom The contributions in Volume 1 look at key jurisdictions in Europe whereas Volume 2 goes beyond Europe to analyse the situation in key jurisdictions in Asia Africa the Americas and Oceania Each volume can be used independently or as part of the complete set This work will be incredibly valuable to policy makers and academics who seek to capture the global picture for the purposes of effecting change      *The Rough Guide to Korea* Rough Guides, 2015-09-01 The Rough Guide to Korea is the ultimate travel guide to this fascinating peninsula with full color maps and detailed coverage of all the best tourist attractions Discover Korea's highlights with stunning photography and insightful descriptions of everything from Seoul's wonderful palaces and hectic nightlife scene to the fishing islands of the West and South Seas Find detailed practical advice on what to see and do in Korea relying on up to date descriptions of the best hotels bars clubs shops and restaurants for all budgets The Rough Guide to Korea includes a detailed history section which gives a thorough account of the country's dynastic past while a language guide ensures that you find your way around this enchanting land Make the most of your time

with *The Rough Guide to Korea*      **A Brief History of South Korea** Dominic Haynes, From ancient kingdoms to global tech dominance discover how South Korea became one of the world's most remarkable success stories Do you feel overwhelmed trying to understand Korea's complex past Confused by headlines about North Korea economic miracles and K pop without knowing the deeper history behind them This clear engaging guide cuts through the noise Whether you're a student traveler or simply curious you'll get the full picture of South Korea's extraordinary journey from its Confucian roots and brutal conflicts to its modern rise as a cultural and technological powerhouse Inside you'll uncover The rise and fall of Korea's ancient kingdoms and the legacy they left behind How Japanese rule reshaped the peninsula and the lasting scars it created The devastating Korean War and how it still shapes the region today South Korea's economic miracle how a war-torn nation became a global tech leader The birth of K pop K dramas and Korea's worldwide cultural influence The ongoing challenges of North-South relations and South Korea's role in Asia's future Curious if this book is beginner friendly Absolutely This is not an academic textbook it's a fast-paced accessible guide that makes South Korea's history clear digestible and genuinely fascinating Ready to understand the story behind the headlines Grab your copy now and explore how tradition struggle and innovation shaped the South Korea we know today      *A Brief History of North & South Korea 2 in 1* Dominic Haynes, One peninsula Two nations A story of division survival and astonishing transformation Confused by the endless headlines about Korea but still feel like you don't really understand how it all began Frustrated by the lack of clear accessible resources that explain both North Korea's secrecy and South Korea's global rise This concise engaging 2 in 1 guide gives you the full picture cutting through propaganda myths and media noise to reveal the complex history that shaped both Koreas From ancient kingdoms and brutal occupations to dictatorship democracy and global pop culture dominance you'll finally understand how one land gave rise to two dramatically different nations Inside you'll uncover How Korea's ancient identity laid the foundation for today's division The scars left by Japanese colonial rule and how they still shape the region The devastating Korean War and its lasting global consequences The rise of the Kim dynasty and North Korea's grip on power South Korea's economic miracle how a war-torn nation became a tech and culture powerhouse The truth about North Korea's nuclear ambitions and isolated regime The birth of K pop K dramas and Korea's worldwide cultural influence The ongoing North-South tensions and where the peninsula goes from here Think Korean history is too complicated This guide makes it simple fast-paced clear and accessible without sacrificing depth or nuance See behind the headlines Understand the contrasts Discover the full story of North and South Korea grab your copy today      *A History of East Asia* Charles Holcombe, 2017-01-11 The second edition of Charles Holcombe's acclaimed introduction to East Asian history from the dawn of history to the twenty-first century      **Flip-Flop** Caroline Knowles, 2014-05-20 Shortlisted for the BBC Radio 4 Thinking Allowed Award for Ethnography 2015 This book follows the global trail of one of the world's most unremarkable and ubiquitous objects flip-flops Through this unique lens Caroline Knowles takes a ground-level view of the lives and places of

globalisation's back roads providing new insights that challenge contemporary accounts of globalisation. Rather than orderly product chains, the book shows that globalisation along the flip-flop trail is a tangle of unstable, shifting, ad hoc and contingent connections. This book displays both the instabilities of the chains and the complexities, personal topographies and skills with which people navigate these global uncertainties. Flip-Flop provides new ways of thinking about globalisation from the vantage point of the shifting landscape crossed by a seemingly ordinary and everyday commodity.

**Sport in Korea** Dae Hee Kwak, Yong Jae Ko, Inkyu Kang, Mark Rosentraub, 2017-07-28. Korea has become a powerful force in global sport, with South Korea finishing fifth in the medals table at London 2012 and hosting the Winter Olympics in 2018. This book brings together scholars from disciplines including sport history, sociology, journalism, economics, sport development and sport management to explore the significance of sport in contemporary Korea. Presenting a variety of international perspectives, it plots the dynamic evolution of sport in Korea and envisions the possibilities for its future. Each chapter focuses on a key topic of current relevance, such as sport in the context of shifting relations between North and South Korea or the role of sport in the expression of Korean nationalism. Arguing that individuals, institutions, businesses and governments have actively leveraged or exploited sport to influence developments in various social, economic, cultural and political arenas, this book sheds new light on the importance of sport as a catalyst for change in Korea. This is indispensable reading for any student or scholar with an interest in sport history and culture in Korea.

[KOREA Impossible to Possible](#) Korean Culture and Information Service Ministry of Culture, Sports and Tourism,2010-01-28 The 60th Anniversary of the Republic of Korea 1948 2008 A collection of internationally renowned authors writing about Korea's development over the past 60 years The history of human beings has been based on different people's encounters and conversations Exchanges between different people enriched cultures and developed civilization worldwide Korea has long cultivated rich and peaceful relations with other countries awarding itself the nickname the Land of the Morning Calm The early 20th century however shattered the peaceful culture of Korea Japan's imperialist occupation of the Korean peninsula tortured our people and left wounds on our history Even after Korea's liberation in 1945 the country's recovery process from the destruction of its culture and institutions was long and painful Still

worse only five years after liberation from Japan the country suffered the heartbreak of the Korean War which left the peninsula divided into north and south The state of war persists even through today In the ashes of the war Korea completely recreated itself to overcome its tortured history The nation ran forward through political whirlwinds and economic slumps The unprecedented miracle of the Han River led to economic development and industrialization Many Korean people sacrificed their lives to usher in an era of democracy In the 21st century Korean people have been charged with the mission to continue to move ahead Our neighbors ask us to contribute to world peace and prosperity through dialogue and exchange Korea s development is largely attributable to learning from the experience of other countries Now it is high time that we pay back what we owe our allies Korea Impossible to Possible a collection of well known international authors writing about Korea s development over the past 60 years is part of the Korean government s efforts to listen to outside perceptions and opinions about my country Through their contributions I ve seen that these authors haven t shied away from using tough words when they felt it necessary to describe Korea s development This is something that I appreciated very much Third party perspectives oftentimes help us to recognize overlooked details We will sincerely listen to the authors valuable advice contained herein and try harder to open up Korean society to the outside world I believe the authors could not wholly express all their thoughts about Korea in the limited space provided However this book will work as an initiative We hope to see Korea approaching a wider range of its neighbors in the near future The Changing Face of the Republic of Korea The Republic at Sixty Advantages of Adversity A Changing Society Education Culture and the Arts International Relations North and South 60 Years On *Talking to North Korea* James Glyn Ford,2018-09-20 Despite recent attempts at negotiation the attitudes of both Kim Jong un s regime and the West seem unchanged North Korea is still shrouded in mystery and there are no clear plans for the future Can we trust either side to bring about peace And if so how This provocative insider s account blasts apart the myths which paint North Korea as a rogue state run by a mad leader Informed by extraordinary access to the country s leadership Glyn Ford investigates the regime from the inside providing game changing insights which Trump and his administration have failed to do Acknowledging that North Korea is a deeply flawed and repressive state he nonetheless shows that sections of the leadership are desperate to modernise and end their isolation With chapters on recent developments including the Trump Kim summit Ford supports a dialogue between East and West whilst also criticising Trump s facile attempts Talking to North Korea provides a road map for averting a war in North East Asia that would threaten the lives of millions **Brief History of Korea** Michael J.
