Baker,2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesus's promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue

to be When will Jesus return Have the signs of his return been fulfilled Is the Messiah's return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegroom's return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesus's return Come prepared to dig deep into scriptures and look forward to Jesus's return Matthew's Non-Messianic Mapping of Messianic Texts Bruce Henning, 2020-11-16 Scholars often explain Matthew's practice of applying non-messianic texts to the messiah by postulating a Christological hermeneutic In Matthew's Non-Messianic Mapping of Messianic texts Bruce Henning raises the question of how Matthew applies messianic texts to non-messianic figures This neglected category challenges the popular view by stretching Matthew's paradigm to a broadly eschatological one in which disciples share in the mission of Jesus so as to fulfill Scriptural hopes Using Cognitive Linguistics this volume explores four case studies to demonstrate Matthew's non-messianic mapping scheme the eschatological shepherd the vineyard care giver temple construction imagery and the Isaian herald These reveal how Matthew's theology of discipleship as participating in Jesus' own vocation extends even to his hermeneutical paradigm of fulfillment **Matthew's Gospel from Scratch** Donald L. Griggs, Earl S. Johnson, 2011-03-02 From Matthew's matter of fact genealogy demonstrating Jesus' status as a descendant of King David through the soaring words of the Sermon on the Mount to the lessons found in the Seven Parables of the Kingdom Matthew's Gospel is rich and wonderfully relevant to contemporary Christians Under the wise guidance of Donald Griggs and Earl Johnson Matthew's Gospel is also easily accessible to those with little or no knowledge of the Bible **Essays on the Real Church** Dirk J. Smit, 2024-08-15 The spirit of the Reformation is often expressed in the well-known slogan that Reformed churches are always being reformed according to God's Word *ecclesia reformata semper reformanda secundum verbum Dei* Over the last century the spirit of this slogan motivated someone like Dietrich Bonhoeffer to argue that the visible form and life of the church should reflect the truth and message of the church Already in his doctoral dissertation called *Sanctorum Communio* the communion of the saints the young Bonhoeffer combined theological claims and traditions with social theory and analysis in this spirit in an innovative way to study the nature and integrity and witness of the church At the time this was a radical claim with major consequences and challenges for Protestant churches Their life which meant their order structure actions statements convictions public presence and role was to be measured by their gospel which meant their message proclamation convictions claims They could no longer proclaim one truth yet live a different life It was this spirit which led to the well-known Theological Declaration of Barmen in 1934 and to the formation of the Confessing Church in Nazi Germany Many called this a moment of truth a *status confessionis* It was this same spirit which later inspired

the struggle in South Africa for the integrity and faithfulness of the church and for the credibility of its message proclamation and witness The contributions in this volume 52 papers essays sermons studies were all produced in this spirit Most of them have not been published before They were all occasional pieces written over several decades in different contexts and for different purposes and audiences yet they all breathe this self critical spirit of the Reformation considering whether the real church the concrete every day actual living church that people know and experience and perhaps belong to truly strives to embody the gospel itself the message which it claims and proclaims They all inquire under different circumstances and in diverse ways about different social forms of the real church from worship to congregation from denomination to ecumenical church from individual believers to movements and organisations whether and how they embody the truth of the church or not Together these contributions tell a story the story of this spirit in South African circles over several decades but also in the ecumenical church in our globalizing world They offer one small glimpse into different concrete moments in the story of this spirit in the life of this tradition and community of faith Hopefully some of these accounts may resonate with others who also shared the same spirit and still share it today in new and ongoing ways *The Almanac for Pastoral Liturgy Sourcebook* Joseph DeGrocco, 2013

Young's Literal Translation of the Bible Young, Robert, 2014-06-14 Young's Literal Translation of the Bible is as the name implies a strictly literal translation of the Hebrew and Greek texts from the Textus Receptus and Majority Text Compiled by Robert Young in 1862 he went on to produce a revised version in 1887 based on the Westcott Hort text which had been completed in 1885 Young died on October 14 1888 and the publisher released a New Revised Edition in 1898 Young used the present tense in many places where other translations used the past tense particularly in narratives The Preface to the Second Edition states If a translation gives a present tense when the original gives a past or a past when it has a present a perfect for a future or a future for a perfect an a for a the or a the for an a an imperative for a subjunctive or a subjunctive for an imperative a verb for a noun or a noun for a verb it is clear that verbal inspiration is as much overlooked as if it had no existence THE WORD OF GOD IS MADE VOID BY THE TRADITIONS OF MEN Emphasis in original For example the YLT version of Genesis begins as follows 1 In the beginning of God's preparing the heavens and the earth 2 The earth hath existed waste and void and darkness on the face of the deep and the Spirit of God fluttering on the face of the waters 3 And God saith Let light be and light is 4 And God seeth the light that it is good and God separateth between the light and the darkness 5 And God alled to the light Day and to the darkness He hath called Night and there is an evening and there is a morning day one Young's Literal Translation in the 1898 Edition also consistently renders the Hebrew Tetragrammaton the four Hebrew letters usually transliterated YHWH or JHVH that form a biblical proper name of God throughout the Old Covenant Testament as Jehovah instead of the traditional practice of LORD in small capitals which was used in editions prior to 1898 Young's usage of English present tense rather than past tense has been supported by scholars ranging from the medieval Jewish rabbi Rashi who advised If you are going to interpret this passage in its plain sense

interpret it thus At the beginning of the creation of heaven and earth when the earth was or the earth being unformed and void God said Let there be light to Richard Elliott Friedman in his translation of the Five Books in The Bible with Sources Revealed 2002 There is a linked Table of Contents for each book and chapter **What Islam Did For Us** Tim

Wallace-Murphy,2012-01-01 In these troubled times when Islam is under seemingly perpetual attack it is imperative to consider how much the West owes to the religion s spiritual insights Bestselling author Tim Wallace Murphy presents the first major popular book to examine the common roots of Judaism Christianity and Islam and to reveal Islam s immense contributions to our society which included laying the foundations for our systems of education astronomy mathematics and architecture He also illustrates how the European Western powers helped foment the current crisis in the Middle East and why we must strive for a just equitable solution to these problems Understanding can begin with this compelling acknowledgment of our shared spiritual heritage including religious tolerance respect for learning and the concepts of chivalry and brotherhood **The Catholic Bible** The Catholic Church,Wyatt North,2013-12-21 The Catholic Bible includes the Old Testament and New Testament This Douay Rheims Bible is authorized by the Catholic Church and is perfectly formatted for your eReader device **You Were Born for This** Bruce Wilkinson,2011-01-18 What if you missed a miracle yesterday Do you believe that if God still works miracles He only works them through a select group of people not you Then it s time to discover the truth You were created to help others experience personal miracles on a regular basis You were born to accomplish God s work by His power In You Were Born for This Bruce Wilkinson explores life changing questions such as Why do so few people experience miracles What does it mean to be sent on a miracle mission And how can anyone partner with God to deliver miracles to others You will learn how to make a lifestyle of predictable miracles your new normal Because when people ask God to accomplish the miraculous through them things change Relationships Finances Families Spiritual lives Soon the extraordinary becomes the everyday and God showing up in supernatural ways is no longer something to wish for it is the life God intended you to live Discover why you were born for this *Your Baptism Into Jesus Christ and His Church* Noel Stanton,1994 For more than twenty years I have been privileged to meet and teach hundreds of new disciples of Jesus Many of these have been rescued from great loneliness and moral danger As a father with his sons and daughters I have rejoiced as they have become men and women of God the heart of this teaching is set out in this booklet It is intended to help prepare new believers for baptism and church membership With the national spread of the Jesus Fellowship and the growth of the Multiply Stream of Churches I believe this booklet and others in this series will play an important part in all God is doing in these exciting days of Holy Spirit revival and Jesus Revolution May the Holy Spirit anoint the pages of Your Baptism to give light to many so that they may experience the fulness of baptism **Resolving the Tension of Jesus's Mission in Matthew's Ancient Biography** Jerry D. Breen,2024-10-03 Jerry D Breen argues that reading Matthew and all the Gospels as ancient biography is the necessary next step for Gospel studies In particular Breen contends that more

specific comparisons should be made between the Gospels and ancient literature Breen stresses that this reading invites narrative critics to place more emphasis on examining the use of sources and the importance of intertextual and historical information that the author introduces to the text Breen places emphasis on the relationship between Jews and non Jews in ancient Galilee and Palestine and challenges the long supported theory that Jesus did not minister to non Jews beyond two or three exceptions Demonstrating that Jesus is inclusive of everyone who comes to him even though he was sent primarily to the Jews Breen argues that the portrait which Matthew creates is one of a Jewish Messiah who is on a mission to restore Israel so that the restored people of God can bless the nations Concluding that rather than two conflicting missions the audience of the gospel is encouraged to view the healing of non Jews during Jesus s ministry as further proof that the Jewish Messiah is bringing restoration to Israel The King Who Teaches: St. Matthew's Royal Curriculum Eugene E. Lemcio,2023-07-12 This unique work is a teaching learning guide to help instructors and students to determine What makes Matthew Displays followed by leading questions and statements help one to determine how the Evangelist adopted adapted and arranged his sources both sacred and secular in light of his convictions about and experience of Jesus Comparing and contrasting the first Gospel with the other Synoptics and occasionally with John also contributes to identifying his concerns Neither standalone nor comprehensive in its intention method or scope this work of pedagogy is meant to be used and not simply read alongside rather than instead of standard tools such as introductions and commentaries Although no knowledge of biblical languages is presupposed references to Matthew s own use of Greek and the Greek of his Jewish Scriptures also enrich this study **Blessed Contradictions** Michael Anderson,2020-03-03 Blessed Contradictions invites the reader to think in new ways about how to understand Scripture The Bible is written by many authors who often have differing points of view Instead of seeing these differences as inconsistencies or weaknesses Blessed Contradictions considers them strengths ways to see God theology ethics and theodicy from alternative angles Each of the eight chapters will compare one biblical author to another show their contradictions and celebrate the blessings of such diversity
