## **Max Starkloff And The Fight For Disability Rights:**

*Max Starkloff and the Fight for Disability Rights* Charles E. Claggett (Jr.), Richard H. Weiss, 2014 Max Starkloff a quadriplegic from the age of twenty one became an influential advocate for people with disabilities Today Starkloff s legacy continues to better the lives of disabled individuals throughout the United States Provided by publisher *In Sickness and in Health* Ben Mattlin, 2018-01-30 A frank humorous exploration of interabled dating love and marriage Ben Mattlin s wife ML recalls falling in love with his confidence and sheer determination On one of their earliest dates he persuaded her to ride on his lap in his wheelchair on their way home from an Elvis Costello concert Thirty years later they still travel like this from time to time undaunted by the curious stares following them down the street But *In Sickness and in Health* is more than an inspiring story of how a man born with spinal muscular atrophy a congenital and incurable neuromuscular condition survived childhood graduated from Harvard married an able bodied woman built a family with two daughters and a cat and a turtle established a successful career in journalism and lived happily ever after As Mattlin considers the many times his relationship has been met with surprise or speculation by outsiders those who consider his wife a saint or him just plain lucky for finding love he issues a challenge to readers why should the idea of an interabled couple be regarded as either tragic or noble Through conversations with more than a dozen other couples of varying abilities ethnic backgrounds and orientations Mattlin sets out to understand whether these pairings are as unusual as onlookers seem to think Reflecting on his own experience he wonders How do people balance the stresses of personal care help with the thrill of romance Is it possible that the very things that appear to be insurmountable obstacles to a successful relationship the financial burdens the physical differences the added element of an especially uncertain future could be the building blocks of an enviable level of intimacy and communication that other couples could only dream of We meet Shane Burcaw a twenty three year old writer who offers a glimpse of his first forays into dating with a disability There s Rachelle Friedman the paralyzed bride as the media refers to her and her husband discussing the joys and challenges of a new marriage and a growing family And Christina Crosby and her partner Janet Jakobsen reflect on how Crosby s disabling accident called for them to renegotiate their roles and expectations in their long term relationship What emerges is a candid glimpse into the challenges and joys of interabled love from the first blush of sexual awakening to commitment and marriage and through to widowhood *An Independent Man* Scot Danforth, 2025 The first biography of one of the founders of the disability rights movement *An Independent Man* chronicles the life of an activist who reimagined the meaning of equality and inspired generations of reformers Before Jonas Salk s vaccine polio was a social death sentence The disabled were expected to disappear into their limitations pitied by those around them This might have been the story of Ed Roberts paralyzed and consigned to sleep in an iron lung But Roberts insisted on what all people deserve a full life Scot Danforth deftly captures Roberts s adventurous personality and radical vision chronicling his life from his student activist days at the University of California Berkeley in the early 1960s to

his career highlights of establishing the pioneering Center for Independent Living and directing California's Department of Rehabilitation By insisting that disabled persons are valuable members of society and by translating his ideas into action Roberts laid the ground for the Americans with Disabilities Act and the ongoing movement for equality
