Maximus Based On True Events:

Lone Wolf: True Stories Of Spree Pan Pantziarka, 2014-10-31 Cases of lone killers embarking on slaughter sprees have occurred with frightening regularity since the late 1980s People like Michael Ryan Thomas Hamilton Martin Bryant and Oklahoma bomber Timothy McVeigh What drives these men and it is always men to turn on friends family and strangers in acts of senseless rage and slaughter In the wake of the summer of 1999 in which four incidents of spree killing shocked the world this is a look at a chilling new trend of brutal and indiscriminate killing that blights our civilized society [Felix Holt, the True Story](#) P L Quinn, 2017-06-28 Felix Holt the True Story is a critical examination of Felix Holt the Radical 1866 by George Eliot Since the novel's publication it has automatically been assumed that the fictional East Midlands market town of Treby Magna where the novel is set must be based upon the Nuneaton of George Eliot's childhood However this assumption has made the novel largely unreadable Whilst Eliot's childhood and her earlier novels are informative towards the construction of Felix Holt the Radical this study proposes that the Treby community is based upon the East Midlands market town of Leicester by far the oldest East Midlands community It is also proposed that Eliot wanted to write a novel with a similar impact to Cranford by Elizabeth Gaskell 1851 1853 in which the community finally pulls together Hence it is determined that Eliot wrote Felix Holt the Radical as a means of unifying the varying rifts of Christian eclecticism into her mode of Humanism **The True Story of the Holy Family** Dennis J. Foley, A 5 Stars Review on Amazon The True Story of the Holy Family by Dennis J Foley The True Story of the Holy Family delivers as it promises It is extremely well researched and explores the true story of Jesus and his family that the New Testament fails to cover This book goes back to the birth of his mother then the story slowly tracks and proceeds from there One needs to have an open mind to enjoy this ocean of rare information that is very much worth it The writing style of Dennis is lucid and engaging It helps readers flow through the pages rapidly and get immersed in the narrative This book deserves so much attention This is the True Holy Family Story with all of the completely Human sins and struggles like murder and rape and more which the real Jesus and His Family experienced and endured Enter a pre Christian world starting in a Rome occupied Celtic Britain and only ending in Judea Ch 1 Introduction Ch 2 Nesse the Morgani La Fe the Macha de Leon Magdalin Ch 3 Deidre Woman of Sorrows Mother of Cuhuillone Christ Ch 4 Mary and Her Son Jesus the Wise in Judea Ch 5 John the Baptist the Father Pappas Sends His Son Ch 6 Jesus and His Beloved Yahuni Their Marriage Ch 7 The Sallie or Princess the Black Madonna Ch 8 Thomas the Twin's World Travels Churches in East Ch 9 Emperor Constantine Son of Man Made Son of God Ch 10 Empress Helen the Omega Woman of Christianity Ch 11 The Christian Year 1 A D and Dennis the Isaurian Bibliography [Politics Go to the Movies](#) Joel R. Campbell, 2022-03-14 Movies and television series are excellent tools for teaching political science and international relations Understanding how stories in various film and television genres illustrate political ideas can better assist students and fans understand and appreciate the political subtext of these media products This book examines politics through five

film genres and their variants Gangster movies focus on American and other organized crime They reached their zenith in the films of Francis Ford Coppola and Martin Scorsese Political thrillers express paranoia about secrecy and political conspiracies while action movies channel anger at foreign and domestic threats to order Superhero films and TV present modern characters who seek to serve society as they face personal struggles about their individual identities War movies promote positive images of wars when conflicts are perceived as successful but often include antiwar messages when wars turn out badly Western movies fell out of favor in the 1970s and 1980s but have undergone a renaissance since the 1990s Westerns can be taken as either political parables or as meditations on policing anarchy community organization The author argues that while these genres all offer escape they also offer important political lessons

Fakebook Dave Cicirelli, 2013-09-17 This hilarious irreverent and profoundly honest memoir explores our cultural obsession with social media and dares to ask Who is the real you and what is the story you tell others At age 26 Dave Cicirelli found himself at a

crossroads While his friends on Facebook appeared to have lives of nonstop accomplishments his early adulthood felt disappointingly routine So one October morning Dave announced on Facebook that he was dropping everything and heading west Many thought him brave or crazy No one guessed he was lying Fake Dave set off on a wild adventure toilet papering an Amish horse and buggy freight hopping with a farmer s daughter and being kidnapped by a religious cult But the online prank quickly became a social experiment People began connecting over his journey and some were inspired to change their own lives But as Fake Dave s popularity grew the real Dave became increasingly isolated struggling with the implications of his secret Clever funny and surprisingly candid FAKEBOOK is a true memoir of our digital age It explores what the old ideas of reputation and relationships mean in our new world of constant connection and ultimately asks How do you draw the line between your virtual self and who you really are And can you discover yourself on a journey that never took place
