Microserfs A Novel:

Microserfs Douglas Coupland, 1996 Young people working for Microsoft decide to make a bid for freedom by founding their own software company The novel narrated as an online journal by danielu microsoft com describes the ups and downs of raising money for a new business Precarious Labour and the Contemporary Novel Liam Connell, 2017-10-13 This book is a major study of the presentation of work and workers in contemporary novels from India North America and the UK Drawing on lively recent theories about work it shows how the novel is a crucial form for helping us to understand what work means in contemporary society It tackles some of the most urgent questions of contemporary life by examining the stories about work that novels produce Including detailed readings of authors such as Douglas Coupland David Foster Wallace Joshua Ferris Arivand Adiga Chetan Bhagat and Monica Ali it explores how the presentation of fictional characters lays open the experience of insecure and precarious existence in the contemporary era This study illustrates that novels provide an essential tool for understanding what work is and how we feel when we do it *The Fiction of Rushdie, Barnes, Winterson and Carter* Gregory J. Robinson, 2005-08-24 Literature often reflects societal change but it can also effect change by inspiring people to think in new ways Four authors who encourage readers to question traditional boundaries are Salman Rushdie Julian Barnes Jeanette Winterson and Angela Carter This book takes an in depth look at the works of these authors with specific emphasis on how they challenge religion especially in its fundamentalist forms and its intersections with history politics gender and sexuality The study notes both differences and similarities among the four authors whose writings broadly represent the major themes in contemporary British literature Divided into two primary sections the volume first takes a look at Rushdie and Barnes and their stance regarding historical and political issues The second section concentrates on gender and sexuality in the writings of Winterson and Carter Among the works examined are Rushdie's *The Satanic Verses* and *Midnight's Children* Barnes' *Flaubert's Parrot* and *A History of the World in 10 1/2 Chapters* Winterson's *Boating for Beginners* and *Written on the Body* and Carter's *The Passion of New Eve* and *Heroes and Villains* The final chapter includes a brief survey of other significant figures in postmodern British literature including Martin Amis Ian McEwan D M Thomas Fay Weldon and Emma Tennant *Changing the Rules of the Game* S. Hotho, N. McGregor, 2013-10-24 The computer games industry is one of the most vibrant industries today whose potential for growth seems inexhaustible This book adopts a multi disciplinary approach and captures emerging trends as well as the issues and challenges faced by businesses their managers and their workforce in the games industry *Hybrid Fictions* Daniel Grassian, 2015-09-11 Since the 1960s academics have theorized that literature is on its way to becoming obsolete or at the very least has lost part of its power as an influential medium of social and cultural critique This work argues against that misconception and maintains that contemporary American literature is not only alive and well but has grown in significant ways that reflect changes in American culture during the last twenty years In addition this work argues that beginning in the 1980s a new allied

generation of American writers born from the late 1950s to the early 1970s has emerged whose hybrid fiction blend distinct elements of previous American literary movements and contain divided social cultural and ethnic allegiances The author explores psychological philosophical ethnic and technological hybridity The author also argues for the importance of and need for literature in contemporary America and considers its future possibilities in the realms of the Internet and hypertext David Foster Wallace Neal Stephenson Douglas Coupland Sherman Alexie William Vollmann Michele Serros and Dave Eggers are among the writers whose hybrid fictions are discussed

Douglas Coupland Andrew Tate,2013-07-19 This book is the first full length study of Douglas Coupland one of the twenty first century s most innovative and influential novelists The study explores the prolific first decade and a half of Coupland s career from Generation X Tales for an Accelerated Culture 1991 to JPod 2006 a period in which he published ten novels and four significant volumes of non fiction Emerging in the last decade of the twentieth century amidst the absurd contradictions of instantaneous global communication and acute poverty Coupland s novels short stories essays and visual art have intervened in specifically contemporary debates regarding authenticity artifice and art This book explores Coupland s response in ground breaking novels such as Microserfs Girlfriend in a Coma and Miss Wyoming to some of the most pressing issues of our times Designed for students researchers and general readers alike the study is structured around thematically focused chapters that consider Coupland s engagement with narrative consumer culture space religion and ideas of the future

Male Sexuality Under Surveillance Graham Thompson,2005-04 Male Sexuality under Surveillance is a lively intelligent and expertly argued analysis of the construction of male sexuality in the business office Graham Thompson interweaves three main threads a historicized cultural analysis of the development of the modern business office from its beginnings in the early nineteenth century to the present day a Foucauldian discussion of the office as the site of various disciplinary practices and a queer theoretical discussion of the textualization of the gay male body as a device for producing a taxonomy of male male relations The combination of these themes produces a study that is fresh insightful and provocative
