**Middle School English Grammar** Atharwa Madbhavi,2019-01-19 Want to master basic grammar Want to score well in grammar Want to practice a lot Yes this book is for you **SALIENT FEATURES OF THE BOOK** 1 Self explanatory meanings and explanations 2 Complex topics broken into simple aspects 3 Lucid language used 4 Numerous exampl      **English Grammar That Don't Suck** Brent Tharp,2017-01-01 Students of the world unite Do you find yourself dozing off in class while your teacher reads directly from your boring textbook Do you question why your English class is more like a book club than a way to master prose Ever wonder why the stuff you learn in class doesn't seem to help when taking placement standardized and achievement tests Many teachers pass the buck on the teaching of basic English skills instead choosing to read books and discuss them It's akin to racing motorcycles while naked kind of fun but a bad idea nonetheless At the same time while most standardized tests check for reading comprehension they also check for all of those nitpicky grammar rules which just happen to form the bedrock upon which reading comprehension is developed One cannot do well on a standardized test

regardless of reading skill without a basic understanding of syntax and grammar This book is the solution Irreverent topical and relevant and perhaps a bit subversive it outlines everything a student should know about English grammar Ever wonder if certain rules don't always apply Likewise do you ponder whether one mistake matters more than another This book will tell you ensuring that you test well and that when you do err it's a little error rather than a monumental gaffe So rise up young scholars and buy this book to show that you won't take it any more And to improve your skills for test taking and overall communication using language

**Grammar Toolkit Lesson Plans for Middle School** Sean Runday, 2024-12-10 Grammar Toolkit Lesson Plans for Middle School Mentor Text Based Grammar Lessons for the Middle School English Classroom contains detailed grammar lesson plans for teachers in grades six seven and eight The lesson plans in this book incorporate the research based best practices of grammar instruction They present grammatical concepts in the context of effective writing through the use of mentor texts These mentor text examples which students read from a writer's perspective deepen students metacognition of the importance of these concepts and help them see the elements of grammar as tools for strong writing that authors use strategically to make their work as strong as possible The thorough plans in this book are designed to help teachers put the best practices of grammar instruction into action in their teaching in concrete practitioner oriented ways that are informed by key research findings on the teaching of grammar The ideas examples and instructional suggestions in this book will give teachers the necessary resources to incorporate mentor text based grammar lessons that develop students metacognition of the tools of effective grammar and communication
