

Practical 1 - OAA Activities (G. Griggs)

Touching base

Resources – Six large hoops randomly laid out on the ground.

Task – Children should find a space and on the command of 'GO', they must find a hoop and touch it, without making contact with anyone else. Once the hoop is touched they must remain in contact with it. Try the activity with fewer hoops for a real challenge!

The name game

Resources – One small ball per group, with groups of about ten children.

Task – Groups begin in a circle. One child stands in the centre and the ball is rolled or thrown at random around the team, with the child in the centre calling the name of the catcher. The ball has to be returned to the child in the centre each time. Challenges can include making ten consecutive catches or counting how many rolls are completed in one minute.

Up-a-daisy

Resources – None.

Task – Children should link hands and arrange the group so that each alternate child has their feet off the floor. The link must not be broken. Additional challenges can be set by asking for feet off the floor for thirty seconds or by supporting another child.

Keep it up!

Resources – One ball and one large piece of material per group.

Task – Using the material, see how many times a group can make a ball go up in the air. Groups can also be challenged to get the ball through a hoop or over a net.

Alphabet

Resources – None.

Task – Divide children into threes and call out the letters of the alphabet at random. Each group must form the letters called as quickly as possible, with all group members being used. Larger groups could have the task of making small words.
