## OUR VALUES

We support dedication, chance, respect, and excellence. **Commitment** by all members of the school community to its caring ethos and academic traditions. **Excellence**, personal achievement and high standards in all areas of school life.

## OUR MISSION

Our goal is to develop a place where everyone is appreciated and valued. The preparedness of kids for college and careers is a top priority for the entire team, working in collaboration with parents and families. Students are provided with tools they need to take on the present and future problems in order to improve personally and socially.

## OUR VISION

Our vision is to teach in our pupil's critical thinking abilities, a global perspective, and a respect for the fundamental principles of honesty, loyalty, perseverance, and compassion to prepare and inspire them for a quickly changing world. Students will have victory for today and be organized for tomorrow. Our vision is to develop healthy, positive connections with students.

## A MESSAGE TO PARENTS AND SCHOOL COMMUNITY

**Next week is the fourth week of term, and Semester 2 examinations are rapidly approaching. Now, not tomorrow, the next day, or the next week but today is the time for all students to be preparing for them.**

We usually hear the phrase "practice makes perfect." This expression is commonly used because we all learn by practice. Whether it means learning music by doing practice or to learn surfing by practicing surfing, or learn Math's by practicing it, the principles are the same. Practice is a means of achieving the success we desire. Shaquille O'Neal, one of the greatest player ever witnessed in Basketball in the USA and a multiple Olympic Games gold medal winner as a member of the USA team tells the story of his early years as a player when he doubted his ability to compete with players he thought were much better than he was. At that time his mother, in her efforts to encourage him, said, "You must fulfill your dreams while there's still room for you to do so. Attack them with a full head of steam. There's no opportunity like now." Shaquille endeavored to brush her off, saying, "I can't do that right now. Maybe later." But his mother responded with words that changed everything for him.

She said,

**"Later doesn't always come to everybody."**

Shaquille said "these words snapped me into truth and gave me a goal. You work hard now, and you don't delay. You'll get nothing if you're lazy or sit back and don't want to excel. If you work hard adequately, you'll be given what you deserve. Everything got easier for me after that, and I wasn't going to wait for later."

## Dear Parents,

Please ensure that your children is not procrastinating and are not "waiting for later" in preparing for Semester 2 examinations and other end of course assessment tasks. **The time for preparation is NOW!**

**"There are no secrets to success. It is the result of preparation, hard work, and learning from failure."**
