Midnight Delights Dark Erotic Fantasies:

Invisible Pleasures R. Pollard, 2016-04-25 I have often seen the film of my first birthday party which shows me sitting like a puffed up pigeon chick in the white frilly plumage of my party dress sitting on a rug on the small but neatly trimmed rear garden lawn with my parents and aunts gathered round me in a circle My cousin another squab sits with me cushioned on the rug But I feel no affinity with or memory of the creature that blows out its solitary candle on the cake I am the child's stranger and I have little feeling for it I see it plump as it reaches out to push its finger into the eye of its cousin who sits beside it A highly amusing memoir from a newly published author *Invisible Pleasures* beautifully and vividly describes his life from the first tremors of his imagination as a child through his early memories in the War to the wild youthful Rabelaisian excitement of the 60s in London and his subsequent working in Borneo and Malaya as an architect It is an unrequited love story and a travelogue through parts of the pre globalised world where many places on the map then before mass tourism had sucked them dry of mystery were yet to be visited And it asks the question of what we are and where we come from in either God's World or the Universe of Science Everywhere there were places to discover and exiting tales to be told This exciting memoir of love affairs and overseas adventures will appeal to those with an interest in the arts and foreign travel

Christian Atheist Brian

Mountford,2011-06-16 Christian Atheist examines the growing religious phenomenon of those who are drawn to Christianity without accepting its metaphysical claims or dogma Throughout the history of the Church there have been many people like this who have sat differently to the central creedal claims but in the contemporary god delusion culture more are coming out to claim acceptance for their views The key to the book is a set of interviews with people who fall broadly into the Christian Atheist category some are more agnostic and less sceptical than others but what they have in common is the rejection of traditional belief in God counterbalanced by an admiration for the aesthetic genius of Christianity leading to a sense of deeper value the Christian moral compass and in some cases the community aspect of Christian life *Night Play* Sherrilyn Kenyon,2010-04-01 Bride McTierney has had it with men They re cheap self centered and never love her for who she is But though she prides herself on being independent deep down she still yearns for a knight in shining armor She just never expected her knight in shining armor to have a shiny coat of fur Deadly and tortured Vane Kattalakis isn t what he seems Most women lament that their boyfriends are dogs In Bride s case hers is a wolf A Were Hunter wolf Wanted dead by his enemies Vane isn t looking for a mate But the Fates have marked Bride as his Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered something no self respecting wolf can accept But how does a wolf convince a human to trust him with her life when his enemies are out to end his In the world of the Were Hunters it really is dog eat dog And only one alpha male can win **Sins of the Night** Sherrilyn Kenyon,2010-04-01 In the realm of the Dark Hunters there is a code of honor that even immortal bad boys must follow Harm no human Drink no blood Never fall in love But every now and again a Dark Hunter thinks himself above the Code That s when I m summoned Who am I I m the one thing the fearless fear Step over the line and it s my wrath you will face Nothing can touch me Nothing can sway me I am relentless and unfeeling Or so I thought until I met a female Dark Hunter who goes by the name of Danger it s not just her name it s how she lives her life She doesn t trust me at all And who could blame her She alone knows that I m here to be judge jury and most likely executioner of her friends Yet she is my key to saving some of them Without her they all will die Dangereuse St Richard is a deadly distraction Something about her is reawakening a heart I thought was long dead But in a race against evil the only hope mankind has is that I do my duty And how can I do my duty when it means that I will have to sacrifice the only woman I ve ever loved **Othello** Lena Cowen Orlin,2003-09-28 With its focus on gender power race sexuality and violence Othello is an important site for new critical approaches to the study of Shakespeare s works Both criticism and culture are represented in this collection of recent essays which provides readers with examples of feminist new historicist cultural materialist deconstructive and post colonial perspectives on Othello With discussions of recent stage and screen productions and analysis of the use of the play in such contemporary events as the O J Simpson murder trial this compelling critical volume presents a wide variety of ways of understanding the continuing significance of Shakespeare s play both in his own time and in ours *City of Dreadful Delight* Judith R. Walkowitz,2013-06-14 From tabloid exposes of

child prostitution to the grisly tales of Jack the Ripper narratives of sexual danger pulsed through Victorian London. Expertly blending social history and cultural criticism, Judith Walkowitz shows how these narratives reveal the complex dramas of power, politics, and sexuality that were being played out in late nineteenth-century Britain and how they influenced the language of politics, journalism, and fiction. Victorian London was a world where long-standing traditions of class and gender were challenged by a range of public spectacles, mass media scandals, new commercial spaces, and a proliferation of new sexual categories and identities. In the midst of this changing culture, women of many classes challenged the traditional privileges of elite males and asserted their presence in the public domain. An important catalyst in this conflict, argues Walkowitz, was W. T. Stead's widely read 1885 article about child prostitution. Capitalizing on the uproar caused by the piece and the volatile political climate of the time, women spoke of sexual danger, articulating their own grievances against men, inserting themselves into the public discussion of sex to an unprecedented extent, and gaining new entrée to public spaces and journalistic practices. The ultimate manifestation of class anxiety and gender antagonism came in 1888 with the tabloid tales of Jack the Ripper. In between, there were quotidian stories of sexual possibility and urban adventure, and Walkowitz examines them all, showing how women were not simply figures in the imaginary landscape of male spectators but also central actors in the stories of metropolitan life that reverberated in courtrooms, learned journals, drawing rooms, street corners, and in the letters columns of the daily press. A model of cultural history, this ambitious book will stimulate and enlighten readers across a broad range of interests.
