

Printed on acid-free paper

puisque je passais par là...

A painting of a tree with a split canopy, one side in warm sunset colors and the other in cool night colors, standing in water. The tree is positioned in the center, with its roots visible in the water. The left side of the canopy is bathed in warm, orange and yellow light, while the right side is in deep blue and purple. The water reflects these colors, and the background shows a horizon line with distant mountains.
