Olivier Messiaen's Opera, Saint François d'Assise Vincent Perez Benitez, 2019-07-25 In this comprehensive study of Olivier Messiaen's magnum opus Saint François d'Assise Vincent Perez Benitez examines the opera from both theological and musical analytical perspectives to ask how Messiaen expresses his Catholic theology through his work Benitez combines a close reading of the opera score with accounts from Messiaen's associates studies of Messiaen's birdsong notebooks and other primary documents and an examination of the religious musical poetic and visual arts literature with which the composer was familiar to explore how the opera's harmonic language and sound color relationships motivate its musical meaning and expression Through his analysis of these diverse sources and comparisons of Saint François d'Assise with other works such as Berg's Wozzeck and Wagner's Parsifal Benitez places Messiaen's compositional practice within larger musical perspectives and historical contexts La vertu de miséricorde selon saint Thomas d'Aquin Père Jean-Baptiste

Cazelle, 2020-10-21 Plus peut-être que celle de l'homme d'autrefois la mentalité contemporaine semble s'opposer au Dieu de miséricorde et elle tend à limiter de la vie et de la terre du cœur humain la notion même de miséricorde Ces mots de saint Jean Paul II résument bien la raison pour laquelle le thème de la miséricorde s'est de plus en plus imposé dans l'enseignement du Magistère Il existe pourtant dans notre société une véritable promotion de la compassion qui semble même être devenue la seule norme admise pour construire une éthique De fait cette disposition touche ce qu'il y a de plus intime l'homme son agir moral et sa dignité de personne humaine Elle ne peut laisser indifférent Pour répondre aux appels de l'Eglise comme aux défis que lance la société contemporaine cet ouvrage s'attache à cerner les principaux aspects de la vertu de miséricorde Comment passer d'un simple sentiment une vertu efficace La miséricorde se rattache-t-elle à la justice ou à la charité Est-ce une vertu essentiellement chrétienne ou existe-t-il une miséricorde naturelle Quel rôle joue-t-elle sur le plan social Voici les questions auxquelles ce livre tente de répondre en scrutant la pensée de saint Thomas d'Aquin Né en 1983 le père Jean-Baptiste Cazelle est entré au monastère benédictin de Notre-Dame de Fontgombault en 2003 Il a achevé ses études de théologie à l'institut Saint-Thomas d'Aquin Toulouse en 2018

Pope Francis and Interreligious Dialogue Harold Kasimow, Alan Race, 2018-10-29 This book engages thinkers from different religious and humanist traditions in response to Pope Francis's pronouncements on interreligious dialogue The contributors write from the perspectives of Judaism Christianity Islam Hinduism Sikhism Buddhism and Humanism Each author elaborates on how the pope's openness to dialogue and invitation to practical collaboration on global concerns represents a significant achievement as the world faces an uncertain future The theological tension within the Catholic double commitment to evangelization on the one hand and dialogue on the other remains unresolved for most writers but this does not prevent them from praising the strong invitation to dialogue especially with the focus on justice peace and ecological sustainability **Jon Sobrino and Pope Francis** Michel Simo Temgo SCJ, 2019-05-29 To examine the use of the preferential option for the poor in theology today this book turns to two contemporary Jesuits Jon

Sobrino and Pope Francis Based on their understanding of the phrase this book initiates a debate about the search for an alternative theological expression It suggests that the preferential option for the poor should be replaced by compassion for the vulnerable

La misericordia en la Biblia Catherine Vialle,2017-09-11 Si bien la palabra misericordia no es muy utilizada en espa ol en la lengua corriente las palabras hebreas y griegas se multiplican evocando el cuerpo y los sentimientos maternos despleg ndose en amor bondad compasi n fidelidad gracia piedad ternura La misericordia se narra en la Tor es sostenida por los profetas meditada por los salmos concentrada en Jes s y ofrecida a todos Bienaventurados los misericordiosos porque obtendr n misericordia Mt 5 7 Breve exploraci n a la vez larga y sencilla de lo que es lo propio de Dios santo Tom s de Aquino

[A Poor and Merciful Church](#) Ilo, Stan Chu,2018 This important text addresses three key questions which face modern Catholicism especially in Africa What is the ecclesiology of Pope Francis How does this ecclesiology meet the challenges facing the universal church in today s complex world And how can one translate the practices of this new approach into a theological aesthetics to meet the challenges and opportunities of the African social context

One Ordinary Sunday Paula Huston,2024-06-15 Award winning writer Paula Huston offers a rich spiritual reflection on the origin and meaning of the Catholic Mass For Catholics the Mass is the source and summit of the Christian life as the documents of the Church put it Yet many Catholics might confess to not understand in any depth what goes on in a typical celebration of the Eucharist In One Ordinary Sunday Paula Huston guides us through a Mass at her home parish in a rural California town Huston s personal and spiritual reflections offer fresh and often unexpected insights into the profound mystery at the heart of the Catholic faith A natural storyteller Huston deftly illuminates what might seem either mysterious to those unfamiliar with the Mass or overly familiar to those who have lost an appreciation of its mystery In the Mass we are healed and restored and spiritually fed she writes We are unified and made whole as a people and as a Church We get a little taste of heaven

A Synodal Church Susan K. Wood,2025-04-23 Beyond the occasional events of synods in the Catholic church and beyond practices of synodality stands a church that is synodal in its very nature This ecclesial identity has its roots in baptism and the formation of the people of God prior to any subsequent division into laity and clergy These baptismal roots also point to the missional orientation of the church indicating that a synodal church is not self referential but serves the proclamation of God s saving mercy to a world thirsty for hope and healing A synodal church is a church on pilgrimage a church in movement that finds its path by drawing on the accumulated wisdom of the whole people of God as they journey together This book shows that the path forward only becomes clearer step by step through a process of dialogue conversion and co responsibility The journey takes place in different locales and different contexts consequently requiring adaptation to accommodate the circumstances of local churches Yet this diversified and de centered church also requires structures to keep it in communion and unity Any reform of church structures including practices of synodality serves the communion and mission of the church Other Christian communions Anglicans and Lutherans among them have traveled the path of synodality

The Catholic Church can learn from their experience in the spirit of receptive ecumenism *The Theology of Louis Massignon* Christian S. Krokus, 2017 In *The Theology of Louis Massignon* author Christian Krokus argues that Louis Massignon's achievements in Christian Muslim understanding his activism on behalf of Muslim immigrants refugees and Middle Eastern Christians as well as his developing understanding of Islam must be understood in the light of his Catholic convictions in relation to God Christ and the Church With ample references to primary works many translated into English for the first time Krokus offers a comprehensive account of the main points of Massignon's religious thought that will prove essential to theologians and historians working on questions of Christian Muslim dialogue comparative theology and religious pluralism Before Amoris Laetitia Jaroslaw Kupczak, 2021-09-03 The publication of Pope Francis post synodal apostolic exhortation *Amoris Laetitia* started the most important theological debate in the Catholic Church since the end of the Second Vatican Council The cardinals bishops theologians priests lay Catholics found themselves on the opposite sides of this crucial and complicated discussion This book attempts to shed some light on this debate by tracing its genealogy Since *Amoris Laetitia* is a post synodal document the large part of the book is devoted to the theological analysis of the two Synods of Bishops convoked by Pope Francis in the first years of his pontificate the extraordinary in October 2014 and the ordinary that took place a year later The main topics for the two synods were determined however in the speech given by Cardinal Walter Kasper during the cardinals consistory in February 2014 whose main aim was to prepare the possibility of admitting divorced persons who live in second unions to Holy Communion The arguments of Cardinal Kasper are presented in the first chapter of the book and confronted with the most significant statements of the Magisterium of the Church on the issue of admittance to the Holy Communion This book is a study at the intersection of Church history the history of theology and systematic theology dogmatic and moral Kupczak is interested in the chronology of the events connected to the two synods on the family but in the context of theological problems discussed therein the theological significance of contemporary cultural changes the relation of the Church to the world the understanding of the indissolubility of the sacramental marriage and the Eucharist the methods of ethically assessing human acts particularly the concept of so called intrinsically evil acts *intrinsece malum* and the relation of conscience to the general moral norm The non partisan ambition of this book is to serve as a road map a help in navigation for the reader in the complicated discussions leading to publication of *Amoris Laetitia* The uniqueness of this book consists in combining the historical analysis of the events leading to the publication of *Amoris Laetitia* with research of the theological discussion that ensued Since *Amoris Laetitia* is a post synodal exhortation this book rests on the assumption that crucial for its understanding is a thorough analysis of its genealogy Only in the light of this historical and theological perspective the debates surrounding *Amoris Laetitia* may be understood
