School Description and Mission Statement

As a family learning center, Escuela Popular's ("EP") mission is to provide all children, adult students, and families with the opportunity to engage in purposeful, stimulating, and enriched educational experiences. It is expected that all students will earn a high school diploma and be prepared to enter post-secondary education and/or be prepared to participate and excel in California's workforce. It is also expected that all students will graduate as bilingual/biliterate.

Escuela Popular is organized into three age and linguistic appropriate academies – a K-5 dual language elementary school, a 6-8 and earlier bilingual high school and a 9 and over bilingual high school. Eighty percent of the student body consists of recent immigrants for whom the U.S. school experience is new and intimidating. The majority of students are English language learners. Approximately 20% of EP's younger students are children and adolescents of immigrant families who were unsuccessful in large comprehensive high schools. Spanish is the primary language of all students. In addition, 94% of EP's students are eligible for the free and reduced lunch program.
