

Lesson Plan A: Reading Informational Text

Standard **ELA.LITERACY.CC.4-5.1.1** Determine two or three main ideas of a text and explain how they are supported by key details; summarize the text.

Lesson Objective A: Can determine two of the "main ideas" of a single expository text.

Sub-objective 1	Sub-objective 2	Sub-objective 3
Given a familiar text, can determine two "main ideas" and provide details from the text as evidence. (Graphic organizer)	Given an unfamiliar or newly introduced text, can determine and orally explain two of the "main ideas" and provide details from the text as evidence.	Given an unfamiliar or newly introduced text, can write a description explaining two of the "main ideas" and provide details from the text as evidence.

Direct Instruction/Model/Example

1. Introduce the concept of "main idea". Define its literary meaning and engage the class in discussion about what they recall from prior grades about how a central message is presented by an author.

Go To Guided Practice #1

2. Read a sample excerpt from a simple and familiar text and model uncovering the two main ideas using a "think-aloud" strategy.
3. Model how to highlight/read over 1) the two key points conveyed in the piece.

Model using (text #1): _____

Graphic Organizer _____

Go To Guided Practice #2

4. Model how to highlight/read over 2) textual evidence to support each key point.

Model using (text #1): _____

Graphic Organizer _____

Go To Guided Practice #3

5. Encourage students to recall the structure and purpose of a summary. Model using each highlighted point/entry on the graphic organizer as a main idea, and supporting details for each paragraph in the writing of a descriptive summary.
6. Read aloud from the highlighted content, then project and model writing a brief summary citing details from the text.

Model using (text #1): _____

Write summary using _____

Go To Independent Practice

Guided Practice

1. Student teams will have each member share what they recall from prior grades about the concept of "central idea".

Christian Heritage Parent Lesson Plan ,2013-08-01 Course Description Semesters 1 2 In 1776 56 men signed their names on a document that they knew might well mean their certain deaths as traitors to England Standing on principles of faith and liberty these men forged a powerful call for freedom and human dignity still resonating today in America Yet historical revisionists have distorted or attempted to wipe away every trace of this nation s Christian heritage including the heartfelt faith of these founding fathers The Declaration of Independence remains one of history s most enduring achievements and this text will help you value those freedoms these men fought for in an insightfully fresh way It will also assist you in catching the God given vision of these faithful new Americans igniting a fire for your family community and the generations to come For You They Signed should be found in every private and public library in America a meticulously documented look back to the true birth of our nation They pledged their lives their fortunes and their sacred honor so that we could be free

Disillusioned Benjamin Herold,2024-01-23 Astonishingly important Alex Kotlowitz The Atlantic Through the stories of five American families a masterful and timely exploration of how hope history and racial denial collide in the suburbs and their schools Outside Atlanta a middle class Black family faces off with a school system seemingly bent on punishing their teenage son North of Dallas a conservative white family relocates to an affluent suburban enclave but can t escape the changes sweeping the country On Chicago s North Shore a multiracial mom joins an ultraprogressive challenge to the town s liberal status quo In Compton California whose suburban roots are now barely recognizable undocumented Hispanic parents place their gifted son s future in the hands of educators at a remarkable elementary school And outside Pittsburgh a Black mother moves to the same street where author Benjamin Herold grew up then confronts the destructive legacy left behind by white families like his Disillusioned braids these human stories together with penetrating local and national history to reveal a vicious cycle undermining the dreams upon which American suburbia was built For generations upwardly mobile white families have extracted opportunity from the nation s heavily subsidized suburbs then moved on before the bills for maintenance and repair came due leaving the mostly Black and Brown families who followed to clean up the ensuing mess But now sweeping demographic shifts and the dawning realization that endless expansion is no longer feasible are disrupting this pattern forcing everyday families to confront a truth their communities were designed to avoid The suburban lifestyle dream is a Ponzi scheme whose unraveling threatens us all How do we come to terms with this troubled history How do we build a future in which all children can thrive Drawing upon his decorated career as an education journalist Herold explores these pressing debates with expertise and perspective Then alongside Bethany Smith the mother from his old neighborhood who contributes a powerful epilogue to the book he offers a hopeful path toward renewal The result is nothing short of a journalistic masterpiece

Michael Gagnon,Matthew Hild,2022-07-15 In Gwinnett County s two hundred years the area has been western southern rural suburban and now increasingly urban Its stories include the displacement of Native peoples white settlement legal battles over Indian Removal slavery and cotton the Civil War and the Lost Cause New South railroad and town development Reconstruction and Jim Crow business development and finance in a national economy a Populist uprising and Black

outmigration the entrance of women into the political arena the evolution of cotton culture the development of modern infrastructure and the transformation from rural to suburban to a multicultural urbanizing place Gwinnett as its chamber of commerce likes to say has it all However Gwinnett has yet to be the focus of a major historical exploration until now Through a compilation of essays written by professional historians with expertise in a diverse array of eras and fields Michael Gagnon and Matthew Hild s collection finally tells these stories in a systematic way avoiding the pitfalls of nonprofessional local histories that tend to ignore issues of race class or gender While not claiming to be comprehensive this book provides general readers and scholars alike with a glimpse at Gwinnett through the ages

Teaching First-Year College Students

Maggie Murphy,2019-05-15 The first year experience is an emerging hot topic in academic libraries and many librarians who work with first year students are interested in best practices for engaging and retaining them Professional discussion and interest groups conferences and vendor sponsored awards for librarians working with first year students are popping up left and right A critical aspect of libraries in the first year experience is effective information literacy instruction for first year students Research shows that despite growing up in a world rife with technology and information students entering college rarely bring with them the conceptual understandings and critical habits of thinking needed for finding evaluating and ethically using information in both academic and real world contexts Faculty in upper level courses expect students to learn about the research process in their first year of college and instructors in the first year curriculum expect librarians to teach this to their students Despite all this designing teaching and evaluating effective information literacy instruction specifically for first year students is not necessarily intuitive for instruction librarians That is why Teaching First Year College Students A Practical Guide for Librarians is a comprehensive how to guide for both new and experienced librarians interested in planning teaching and assessing library instruction for first year students The book Examines the related histories of library instruction and first year experience initiativesSummarizes and synthesizes empirical research and educational theory about first year students as learners and novice researchersEstablishes best practices for engaging first year students through active learning and inclusive teachingFeatures excerpts from interviews with a number of instruction librarians who work with first year students in a range of positions and instructional contextsIncludes examples of activities lesson plans and assessment ideas for first year library instruction for common first year course scenariosIncludes a template to use for library instruction lesson planningWritten by a library instruction coordinator with a graduate degree in First Year Studies and a first year instruction librarian Teaching First Year College Students A Practical Guide for Librarians is the first comprehensive how to guide for both new and experienced librarians interested in planning coordinating teaching and assessing library instruction for first year students

Radical Inclusivity

Gloria Park,Quanisha Charles,Shannon Tanghe,Marie Webb,2025-09-29 This book contains a collection of chapters that blend theory and practice to share the hows and whys of implementing radical inclusivity in the language and writing classroom It highlights the experiences and

practices of global K-20 teachers and teacher educators and the many ways they promote these radically inclusive practices in their classrooms. The chapter authors outline what radical inclusivity is and how it can be embedded in classroom practice and pedagogy across teacher education, undergraduate classrooms, community engagement contexts, and different institutional and programmatic settings. The book views teaching as a radical act of hope and uses perspectives from Critical Language Awareness to support learners in developing critical perspectives on the intersections of language, identity, power, and privilege. Structured as a theory-to-practice resource, the book is designed to provide teachers and graduate students with theoretical backgrounds and practical activities that can be integrated into language teacher education as well as writing and language classrooms.

Plans designed around the most frequently taught objectives found in national and international curricula. Lessons educators can immediately replicate in their own classrooms or use to develop their own 20 brain-compatible, research-based instructional strategies that work for all learners. Five questions that teachers should ask and answer when planning brain-compatible lessons and an in-depth explanation of each of the questions. Guidance on building relationships with students that enable them to learn at optimal levels. It is a wonderful time to be a teacher. This hands-on resource will show you how to use what we know about educational neuroscience to transform your classroom into a place where success is accessible for all.

Equipping Educators to Teach Religious Literacy, Emile Lester, W. Y. Alice Chan, 2022-03-17. This volume provides a detailed evaluation of a unique education program implemented in secondary schools in Georgia to enhance teachers' religious literacy and their ability to promote this in schools and classrooms. The text demonstrates that religious literacy can be proactively taught to students whilst also highlighting key considerations and tensions around religious liberty in the American South. Spanning rural, urban, and suburban Georgia, the text presents an original approach to the growing field of religious literacy by foregrounding community voices and perspectives. Using rich empirical data and qualitative interviews with religious and political leaders, scholars, teachers, parents, and students, the book evaluates the challenges, efficacy, and benefits of the program in view of rising political polarization. In doing so, the text tackles historical and contemporary issues around race and religion and considers tensions between religious and nonreligious groups in the US. Ultimately, the book presents a significant contribution to the dialogue around fostering religious literacy in schools. This

text will benefit researchers academics and educators with an interest in religious education teacher education and religious literacy more broadly Those interested in the sociology of education as well as diversity and religion in America will also benefit from this volume
