

SOCCER

PACKET # 6

INSTRUCTIONS

This Learning Packet has two parts: (1) text to read and (2) questions to answer.

This text describes a particular sport or physical activity, and relates its history, rules, playing techniques, scoring, notes and more.

The Magazine Form (questions and puzzles) check your understanding and appreciation of the sport or physical activity.

INTRODUCTION

Soccer is a fast-moving, action-packed sport. It is one of the most popular sports in the world today. Soccer, which is technically known as "association football," was in fact the forerunner of modern football. Soccer was the only football-type game in the United States until American-style football became popular in the 1870s.

Today, soccer is included in the physical education programs of many schools. In addition, many elementary and high school students play it in organized after-school programs.

Soccer demands physically fit players since the game includes running as much as three or four miles per match. The player's arms, legs, heart and lungs all get a good workout during the average soccer game.

HISTORY OF SOCCER

In 600 B. C., the Chinese played a version of soccer, using a ball stuffed with hair. The Romans also played a version of soccer called "harpastum." Julius Caesar reportedly used this game as training for his armies.

Soccer was also played in various forms in England for about four hundred years before

Missionary Fitness Calvin Buhler, 2010-08-30 The divine responsibility of sharing the Gospel as a full time missionary is one of the greatest blessings and opportunities in this life. However, it can quickly become a burden if the missionary is not able to effectively manage the physical and spiritual stresses that accompany the rigorous schedule and irregular living conditions common to mission life. To help make the mission experience a blessing and not a burden, health and human performance expert Calvin Buhler has combined cutting edge research with first hand experience to create a unique and powerful program based on eternal principles that will prepare the body and spirit of any current or future missionary for service. In an easy to understand format, readers will be reminded of the stewardship they have over their body. Discover how Jesus prepared physically and spiritually for His mission. Learn advanced strategies to improve their nutrition. Understand what to eat, when to eat, and how much to eat. Be provided meal plans to guide them along the way. Learn proven methods to maximize the time they have to exercise. Know exactly what exercises to do and how to do them. And much more. By implementing the information in this book, current and future missionaries will be better prepared to serve with all their heart, mind, and strength.

Weight Training For Dummies Liz Neporent, Suzanne Schlosberg, 1997-05-29 Weight training isn't just for muscleheads like Arnold Schwarzenegger any more. Now health experts are telling us that lifting weights strengthens your bones, boosts your energy, and helps you lose fat. *Weight Training For Dummies* helps you design a program that's right for you with information you not only can trust but also understand. Health and fitness experts Liz Neporent and Suzanne Schlosberg talk you through whatever misconceptions you may have about weight training and show you how to set goals and achieve them. They lay out basic principles of weight training for you so that you can make sense of unfamiliar equipment at a gym or get the workout you want at home. Even if you already lift weights as part of your regular fitness routine, *Weight Training For Dummies* will inspire you to try new and different things with suggestions for improving your current exercises. Unlike other weight training books you may have seen, *Weight Training For Dummies* also offers tips specially tailored for kids, seniors, moms-to-be, and anyone who'd just like to lose some weight.

The Chronicles of Tyson Daylin Eaton, 2011-02-15 Twelve year old Tyson Jenkins lives in a world where everyone in it has a power, his being the ability to change into any animal or insect at will. Tyson is days away from starting his sixth grade year at his new boarding school, Cobalt Academy, a school for training and enhancing powers. When word gets out that the evil Witch Sisters want to steal the Pendant of Power, a device that has the ability to take and give powers, Tyson becomes determined to stop them and save the Pendant, with or without the help from his friends Emma, Joy, Double D, and Liam. Despite many warnings from his friends, family, and Cobalt's headmistress Dr. Bigsby, Tyson remains resolute. Will Tyson be able to stop the Witch Sisters, or will they bring about his demise? That everyone warns him of, only time will tell, as Tyson's action-packed and exciting year at Cobalt begins.
