Nadia Bolz-Weber,2008-09-01 A no holds barred criticism on the state of today s Christian broadcasting A book for every person who s ever flipped past the religious channel on cable and thought I haven t the faintest clue what s going on there or that church doesn t seem like my church at all or even wow so that s what happened to Kirk Cameron With the personalities of Christian broadcasting constantly in the news talking about every major issue from abortion to culture to war and with the amount of influence their movements have on the the political discourse in this country to under stand more about the stop on the television dail is to understand more about American and America s religious landscape On an average day the largest religious broadcast channel in the country reaches millions of viewers and features programming from figures such as Benny Hinn T D Jakes Pat Robertson Paul and Jan Crouch Jess Duplantis Joel Osteen and others yet despite it s presence in well over 50 million household many have little conception of what kind of faith happens there Nadia Bolz Weber a Lutheran seminarian and former stand up comic who s never before watched religious broadcasting spends 24 hours in front of the TV immersing herself in the messages and culture to be found on the part of the dial Bolstered by visits from guest such as rabbi her 8 year old daughter Unitarian friend and others Salvation on the Small Screen is Bolz Weber s chronicle augmented by after the fact research of a huge but unknown or mysterious to many branch of religious culture *God's Heart for Israel (and Us)* John Weldon,2011-07-12 We

read God's promises to Israel in the Old Testament where it is referred to as the apple of His eye but is God done with Israel since they rejected their Messiah Are we as Christians supposed to stand for the nation of Israel today Has the Church now replaced Israel so that God's promises and covenants given in the OT no longer apply to Israel What is Israel's global importance Is global anti-Semitism on the rise What will be Israel's ultimate future According to an article in the Jerusalem Post of June 17 2011 Israel is at a do or die moment As was the case in May 1967 when the combined Arab armies gathered with the express purpose of wiping the Jewish state off the map today again Israel is alone in its hour of greatest peril John Weldon is able to answer these questions and address the important issues of our day because of the extensive research he has done on Middle East and America He shares what he has learned in this deeply thought provoking book *American Christianity* Stephen Cox, 2014-04-15 This wide ranging study examines the ever evolving forms of Christianity in the US and why this constant reinvention is a vital part of American faith Christianity takes an astonishing variety of forms in America from traditional chapels to modern megachurches from evangelical fellowships to social action groups and from Pentecostal faith to apocalyptic movements Stephen Cox argues that radical and unpredictable change is one of the few dependable features of Christianity in America It is in a necessary and ongoing state of revolution and has been throughout our history Cox explores how both Catholic and Protestant churches have evolved in ways that would make them seem alien to their past adherents He traces the rise of uniquely American movements from the Mormons to the Seventh day Adventists and Jehovah's Witnesses and brings to life the vivid personalities Aimee Semple McPherson Billy Sunday and many others who have taken the gospel to the masses Cox also sheds new light on such issues as American Christians constantly changing political involvements their controversial revisions in the style and substance of worship and their chronic expectation that God is about to intervene conclusively in human life Asserting that a church that doesn't promise new beginnings can never prosper in America Cox demonstrates that American Christianity must be seen not as a sociological phenomenon but as the ever changing story of individual seekers Congressional Quarterly Weekly Report ,1965
