Turning on Learning Carl A. Grant, Christine E. Sleeter, 2008-10-28 With a wealth of ready to use lesson plans for grade levels K 12 covering a variety of subject areas Turning on Learning Fifth Edition shows students how to apply the principles of multicultural education in the classroom This practical lesson based companion to Sleeter and Grant's Making Choices for Multicultural Education Five Approaches to Race Class and Gender features additional lesson plans and new resource material along with updates of existing lesson plans *Subject Guide to Children's Books In Print, 1990-1991* R R Bowker Publishing, 1990-09 Media Hot and Cold Nicole Starosielski, 2021-10-04 In Media Hot and Cold Nicole Starosielski examines the cultural dimensions of temperature to theorize the ways heat and cold can be used as a means of communication subjugation and control Diving into the history of thermal media from infrared cameras to thermostats to torture sweatboxes Starosielski explores the many meanings and messages of temperature During the twentieth century heat and cold were broadcast through mass thermal media Today digital thermal media such as bodily air conditioners offer personalized forms of thermal communication and comfort Although these new media promise to help mitigate the uneven effects of climate change Starosielski shows how they can operate as a form of biopower by determining who has the ability to control their own thermal environment In this way thermal media can enact thermal violence in ways that reinforce racialized colonial gendered and sexualized hierarchies By outlining how the control of temperature reveals power relations Starosielski offers a framework to better understand the dramatic transformations of hot and cold media in the twenty first century Teach! Change! Empower! Carl A. Grant, 2009-10-07 Teach Change Empower takes the concepts of diversity and change which are often complex abstract confusing and not salient to many teachers who struggle with the meaning of these concepts in actual classroom practices and uses them as a framework for something that is very real to teachers the achievement gap Barbara Heuberger Rose Associate Professor Miami University Readers are challenged to think about themselves and their role in addressing achievement gaps in a non blaming manner Carl Grant does an outstanding job of incorporating the work of a number of researchers Maria Whitemore Minority Achievement Coordinator Frederick County Public Schools MD Narrow the achievement gap by affirming diversity and engaging in a process of personal change The achievement gap illustrates restricted life chances and choices for many students and only by addressing these inequities can we enable all learners to reach their fullest potential Teach Change Empower provides a powerful step by step process for making the changes necessary to close the achievement gaps in your school This innovative resource offers a wealth of strategies and action plans to help teachers reflect on their own beliefs about diversity and power and turn those reflections into actions Educators can put into practice ideas that challenge the status quo including Culturally relevant curriculum and environments for students Caring with a social political consciousness within a culture of learning Cooperative professional development for teachers administrators and staff Democratic student involvement Initiate change in your classroom that
