Rutter's Child and Adolescent Psychiatry and Psychology Anita Thapar, Daniel S. Pine, Samuele Cortese, Cathy Creswell, Tamsin J. Ford, James F. Leckman, Argyris Stringaris, 2025-08-11 Up to date edition of a leading textbook on child and adolescent psychiatry with new information on COVID-19, digital technology and more. Both interdisciplinary and international in scope, Rutter's Child and Adolescent Psychiatry delivers an expansive overview of the current state of the field, covering the latest research advancements and technological developments. This Seventh Edition has undergone an extensive revision process, including a comprehensive review of chapter outlines and two stages of critical review for each full chapter by the editorial team. In this edition, each author provides short video clips to give a taste of their chapter, along with instructor slides for teaching and training. New chapters cover changes in science and the needs of children around the world, global threats including COVID-19, wars and natural disasters, care in low resource settings, diversity in relation to gender and sexual orientation, and body dysmorphic disorder, as well as digital technology, detailing the growing interest in digital approaches to assessment and intervention. Written by a team of expert editors and contributors, Rutter's Child and Adolescent Psychiatry discusses sample topics including: Diagnosis, diagnostic formulations and classifications of developmental psychopathology, as well as neurodevelopmental disorders and emotion, emotional regulation and emotional disorders, Child maltreatment and sexual abuse, as well as influences on psychopathology including genetics, epigenetics, psychosocial adversity, parental psychiatric disorders and physical treatment. Available treatments including parenting programs, cognitive behavioural therapy, family interventions and relationship based treatments. Contexts of clinical encounters including refugee and asylum seeking children, children affected by HIV/AIDS and children with specific sensory impairments. The Seventh Edition of Rutter's Child and Adolescent Psychiatry is an essential resource for all professionals working and learning in the fields of child and adolescent mental health and developmental psychopathology, along with clinicians working in primary care and paediatric settings. [The Business of Sustainability](#) Chris Laszlo, Karen Christensen, Daniel S. Fogel, Gernot Wagner, Peter J.

Whitehouse, 2010-01-01 The Business of Sustainability is a core resource for policy makers, members of the development community, entrepreneurs and corporate executives, as well as business and economics students and their professors. It contains rich analysis of how sustainability is being factored into industries across the globe, with enlightening case studies of businesses serving as agents of change. Contributing authors provide a groundbreaking body of research-based knowledge. They explain that the concept of sustainability is being re-framed to be positive about business, instead of being tied to the old notion of a trade-off between business and society, that is, if business wins, society and the environment must lose, and they explore how economic development can contribute to building our common future.
