Your Student's Achievement Today

The graph to the left provides the National Percentile Rank (NPR) for each test and test composite in the assessment. The NPR indicates the percent of students in the same grade who obtained a lower score than your child.

Your Student's NSS Achievement Yesterday and Today

The Iowa Assessments measure student achievement and growth. The National Standard Score (NSS) describes a student's location on an achievement continuum from elementary through high school. The National Grade Equivalent (NGE) describes student performance in terms of grade level and month. Both NSS and NGE make it possible to follow your child's educational growth from year to year by comparing this year's scores to those from earlier years.

Notes:

An NSS in Reading of or above XXX means your student is Proficient in Reading.

An NSS in Mathematics of or above XXX means your student is Proficient in Mathematics.

An NSS in Science of or above XXX means your student is Proficient in Science.

Your student has a predicted ACT score range of 25-30. The predicted ACT score range provides students with some indication of the scores they might expect to receive the first time they take the ACT. For additional information about postsecondary education opportunities, students should consult with their counselors and available resources in the school.

Proficiency level indicators tell whether your student is considered proficient as defined by the state of Iowa [click here](#)

This student is predicted to receive ACT scores from 25-30.

These two paragraphs describe how to interpret your student's NSSs, NPRs, and NGEs*.

*Please note that GEs are not provided for Grades 9-12, even though they are included in this sample.
