Each of the ten units has four these-based lessons preceded by Starting Point and followed by Finish Line. The unit has also two windows on reading and writing strategies. The activities resented throughout these constituents are geared to develop students' skills in reading, writing, speaking, listening, and research. The activities equally enrich students' vocabulary, stock, sharpen their critical thinking, and raise their cultural awareness. Central Themes Level One is ideal for Secondary One students interacting in a classroom setting or preparing for their exams. Central themes Level One comprises Textbook with Practice Work, Interactive CD ROM, Answer Key, and Assessment Tests.

The TESOL Research Training Journey Shen Chen, Thi Thuy Le, 2021-04-05 Research training is challenging, and the attrition rate of doctoral students has been increasing in Canada, the UK, the USA, and Australia. In their book, Chen and Le examine the reasons for these students becoming demotivated, particularly in the context of TESOL. There has been much investigation into research training issues in multiple contexts and multiple disciplines. Yet the research training process in TESOL for international students has not been explored sufficiently, and their voices have not been heard. This book gives voice to the research trainees, allowing their experiences to be reflected, and the implications discussed in order to help create more effective supervision models. By employing the qualitative approach and adopting critical incident as a new technique for data collection, Chen and Le attempt to gain insights into the research training process to reveal different research stages of research trainees, those undertaking PhD degrees, and to put forward a model of supervision to improve the innovation and quality of research. This book tackles the complex nature of research training. It is hoped that findings of this study can provide research supervisors and trainees with theoretical insights and practical references. *The New International Lesson Annual 2013-2014*, 2013
