The Vaal Uprising of 1984 & the Struggle for Freedom in South Africa Franziska Rueedi, 2021 Offers new insights into the struggle against Apartheid and the poverty and inequality that instigated political resistance **Students Must Rise** Ann Heffernan, Noor Nieftagodien, Sifiso Mxolisi Ndlovu, Bhikizizwe Peterson, 2016-06-01 A detailed account of the incredibly influential Soweto Student Uprising of 1976 The Soweto Student Uprising of 1976 was a decisive moment in the struggle against apartheid It marked the expansion of political activism to a new generation of young activists but beyond that it inscribed the role that young people of subsequent generations could play in their country's future Since that momentous time students have held a special place in the collective imaginary of South African history Drawing on research and writing by leading scholars and prominent activists *Students Must Rise* takes Soweto 76 as its pivot point but looks at student and youth activism in South Africa more broadly by considering what happened before and beyond the Soweto moment Early chapters assess the impact of the anti pass campaigns of the 1950s of political ideologies like black consciousness as well as of religion and culture in fostering political consciousness and organisation among youth and students in townships and rural areas Later chapters explore the wide reaching impact of June 16th itself for student organisation over the next two decades across the country Two final chapters consider contemporary student based political movements including RhodesMustFall and FeesMustFall and historically root these in the long and rich tradition of student activism in South Africa 2016 marks the 40th anniversary of the 1976 June 16th uprisings This book rethinks the conventional narrative of youth and student activism in South Africa by placing that most famous of moments the 1976 students uprising in Soweto in a deeper historical and geographic context Gaffney's Local Government in South Africa, 2007 Hearing God Speak (eBook) Elize Parker, 2014-10-01 Following the success of her first devotional *Seasons of the Heart* Elize Parker once again provides the reader with unforgettable daily readings in *Hearing God Speak* The book provides inspiration and encouragement for a whole year and includes 365 devotions for spiritual growth Appropriate Bible verses with every devotion Encouraging thoughts Suitable daily prayers Comfort encouragement and much more Every month is constructed in a specific way to help readers build and deepen their relationship with the Creator The twelve months are compiled into themes including Goodness and Wisdom *Hearing God Speak* is a beautiful devotional that will be so much more than just a pretty book on your coffee table it will enrich your soul and ensure your ongoing spiritual growth It is also a special gift to anyone who wants to grow in their relationship with God School Boycotts 1984 Monica Bot, 1985 Register of S.
