Hope for the Same-Sex Attracted Ron Citlau, 2017-03-14 Helping the Same Sex Attracted Faithfully Follow Jesus As Christians seek to be biblically faithful on the issue of homosexuality two fundamental questions come to mind: How can a person with same sex attraction faithfully follow Jesus in his or her sexuality? And how can we support and encourage them in this? With compassion and wisdom on a topic rife with misunderstanding and hurt, author and pastor Ron Citlau will help you think deeply and clearly about every option the Bible offers and what it clearly does not. Having personally dealt with same sex attraction, walked with others still struggling, and pastored those with gay loved ones, he thoroughly examines all of the available options: heterosexual marriage, singleness, celibacy, and more, and considers them in light of the Scriptures. With clarity and grace, he helps you discover the remarkable gifts God provides to the Christian who struggles with same sex attraction and desires to faithfully follow Jesus. Here is a message of hope and practical loving guidance for those who are same sex attracted and those who love them.

WILLIAM H. WILLIMON Matthew 24-25 as Prophetic-Apocalyptic Kennedy K. Ekeocha, 2024-01-10 Despite centuries of scholarly and popular engagement, much confusion still hangs over Jesus' Olivet Discourse. There is no consensus on the nature and meaning of the disciples' question in Matt 24:3: How is the temple's fate related to the parousia or second coming of Jesus? Is the Great Tribulation past, present, or future? Will Christians be raptured to heaven? Should you rather prefer to be left behind? Combining inductive and discourse grammar approaches as bases for literary structure and analysis, this study is a holistic and compelling fresh interpretation of

Jesus eschatological discourse that provides answers to these questions The author shows that extant interpretive frameworks fail to adequately account for the biblical data Moreover and unlike the available treatments the study sheds light on the discourse s structural and theological function within Matthew s Gospel as a whole and how it coheres with New Testament teaching in general **Handbook on the Gospels (Handbooks on the New Testament)** Benjamin L.

Beaton,2023-05-25 This volume is about effective discipleship The author discusses how it is possible to transform worldview and thus change behaviour practice in the area of African traditional religious charm dependency and related witchcraft practices in the church He lays foundations for an appropriate approach for renewal one which takes into consideration cultural sensitivity Biblical fidelity and pedagogic efficacy Specific Biblical passages are studied with a view to both theological significance and practically applicable significance for the context and suggestions are made regarding how to best communicate these Biblical truths effectively in situ This material provides a malleable resource for church leaders theological educators and missionaries to use develop or modify according to their own particular didactic needs and specific ATR challenges to Christian discipleship
