Shadow Daughter Harriet Brown, 2018-11-06

A riveting provocative and ultimately hopeful exploration of mother daughter estrangement woven with research and anecdotes from an award winning journalist The day of her mother's funeral Harriet Brown was five thousand miles away For years they'd gone through cycles of estrangement and connection drastic blow ups and equally dramatic reconciliations By the time her mother died at seventy six they hadn't spoken at all in several years Her mother's death sent Brown on a journey of exploration one that considered guilt and trauma rage and betrayal and forgiveness *Shadow Daughter* tackles a subject we rarely discuss as a culture Family estrangements between parents and children siblings multiple generations are surprisingly common and even families that aren't officially estranged often have some

experience of deep conflicts Despite the fact that the issue touches most people one way or another estrangement is still shrouded in secrecy stigma and shame We simply don't talk about it and that silence can make an already difficult situation even harder Brown tells her story with clear eyed honesty and hard won wisdom she also shared interviews with others who are estranged as well as the most recent research on this taboo topic Ultimately Shadow Daughter is a thoughtful provocative and deeply researched exploration of the ties that bind and break forgiveness reconciliation and what family really means

Shame Joseph Burgo, 2018-11-06 An intimate look at the full spectrum of shame often masked by addiction promiscuity perfectionism self loathing or narcissism that offers a new positive route forward Encounters with embarrassment guilt self consciousness remorse etc are an unavoidable part of everyday life and they sometimes have lessons to teach us about our goals and values about the person we expect ourselves to be In contrast to the prevailing cultural view of shame as a uniformly toxic influence Shame is a book that approaches the subject of shame as an entire family of emotions which share a painful awareness of self Challenging widely accepted views within the self esteem movement author Joseph Burgo argues that self esteem does NOT thrive in the soil of non stop praise and encouragement but rather depends upon setting and meeting goals living up to the expectations we hold for ourselves and finally sharing our joy in achievement with the people who matter most to us Along the way listening to and learning from our encounters with shame will go further than affirmations and positive self talk in helping us to build authentic self esteem Richly illustrated with clinical stories from Burgo's 35 years in private practice Shame also describes the myriad ways that unacknowledged shame often hides behind a broad spectrum of mental disorders including social anxiety narcissism addiction and masochism
