Sparano,1998-08-15 A 2013 Amazon Breakthrough Novel Award Quarter Finalist The Paranormal Romance Guild say Georgiana Derwent has managed to merge the world of Oxford University with its rich history and very British traditions with a totally entertaining and plausible vampire story This is going to be a favourite series A Tale of the Posh the Privileged and the Paranormal The Cavaliers are the most elite society at Oxford University rich powerful and beautiful No one realises that they are no ordinary students but a group of aristocratic vampires from the English Civil War For four hundred years they have groomed the most promising students to run the government police and finance in the way the vampires wish granting them eternal life in return for absolute obedience When Harriet French arrives at Oxford University from her working class northern state school she s prepared for a culture shock but not to become embroiled in the Cavaliers

scheming and bloodlust Harriet thought she'd be busy enough juggling her demanding tutor, new friends and the murky world of student politics. But now she must find the rebel vampire who is killing off the members, stop the Cavaliers from orchestrating a massacre of the year's most beautiful and successful students and defy the Society to be with the man of her dreams. *Oxford Blood* is a British adult paranormal romance. It's a tale with vampires that aren't afraid to kill and a heroine who's not afraid of sex or her own ambition. ABOUT THE AUTHOR Georgiana Derwent read History at Oxford University. Aside from the vampires, *The Cavaliers Series* is an exaggerated but fairly accurate portrayal of her time there. She now works in London and lives with her fiancé. He's been very supportive throughout the writing of her books, mainly because he likes to claim that all the most attractive characters are based on him. Georgiana fell in love with vampire novels after reading *The Vampire Diaries* back in 2000. At the time it was a struggle to find any similar paranormal romances, a situation that it's fair to say seems to have been rectified in the last few years. She now loves paranormal series such as *True Blood*, fantasy novels and modern literary works in roughly equal measure. Ever since her teens, she wanted to write a vampire series. Ever since going to Oxford, she wanted to write a book about her experiences there. During a dull few months between finishing university and starting her graduate job, she had the idea of combining the two and *The Cavaliers Series* was born.

MotorBoating, 1987-07 *The Rudder*, 1962 **Field & Stream**, 1981-02. FIELD STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations.
