

"Jim Gavin's stories are wise and funny and not at all afraid of the dark, or the light.
Middle Men is a very powerful debut." — Sam Lipsyte, author of *The Ask*

Middle Men Stories:

Middle Men Jim Gavin, 2014-02-11 In this widely acclaimed story collection Jim Gavin delivers a hilarious and panoramic vision of California in which a number of down on their luck men from young dreamers to old vets make valiant forays into middle class respectability Each of the men in Gavin's stories is stuck somewhere in the middle caught halfway between his dreams and the often crushing reality of his life A work of profound humanity that pairs moments of high comedy with searing truths about life's missed opportunities Middle Men brings to life unforgettable characters as they learn what it means to love and work and exist in the world as a man Comfort Women of the Japanese Empire Park Yuha, 2024-07-29

This is an important and controversial work hitherto available only in Korean Japanese and Chinese a book which has been subject to court cases attempting to have some parts deleted The author reconsiders the issue of the comfort women that is the Korean women who were compelled to provide sexual comfort to Japanese troops during the Asia Pacific War She explores the human complexity of the experiences of these women who despite terrible exploitation she feels cannot and should not only be considered as passive victims She sets the issue in context revealing how Korean society played a role with patriarchy and middlemen being significant factors in the procurement of comfort women and how alongside the comfort women there were volunteer labor corps of Korean young women supporting the Japanese war effort The author highlights Korea's colonial status different from the territories Japan invaded and conquered discusses how relations between colonizers and colonized in an empire are not straightforward and argues that people should work to understand more fully the mindset of those at the time and refrain from forcing values from the present to resolve indignities of the past Aiming to find a way to pursue reconciliation while looking more closely at the history the book provides substantial consideration of key issues to do with empire memorialization and censorship It is an uncomfortable read for those seeking simplistic interpretations and easy solutions **Simon & Schuster 2013 Fiction Sampler** Teddy Wayne, Marjorie Celona, Jim Gavin, William Nicholson, Elizabeth Hartley Winthrop, Paul Yoon, 2013-04-03

We are proud to introduce seven powerful original and irresistible novels coming in 2013 from Simon Schuster The Love Song of Jonny Valentine Y Middle Men Motherland The Why of Things The Gravity of Birds and Snow Hunters This sample features exclusive excerpts interviews with the writers and commentary from the books editors In The Love Song of Jonny Valentine by Teddy Wayne an eleven year old pop megastar searches for his identity in the dark heart of America's monstrous obsession with fame Marjorie Celona's highly acclaimed and exquisitely rendered debut Y follows a wise beyond her years foster child abandoned as a newborn on the doorstep of the local YMCA From an Academy Award nominated screenwriter Motherland is a powerful story of a love triangle set in England France India and Jamaica against the backdrop of World War II In Middle Men Stegner Fellow and New Yorker contributor Jim Gavin delivers a hilarious and panoramic vision of California portraying a group of men from young dreamers to old vets as they make valiant forays into middle class respectability Tracy Guzman's

compelling debut novel *The Gravity of Birds* follows the ordeal of an art authenticator and an art historian employed by a famous reclusive painter to sell a never before seen portrait leading them to discover devastating secrets two sisters have kept from each other and from the artist In *Snow Hunters* an elegant haunting and highly anticipated debut novel from 5 Under 35 National Book Foundation honoree Paul Yoon a North Korean war refugee confronts the wreckage of his past From the critically acclaimed author of *December* comes *The Why Of Things* a buoyant and beautiful new novel about a family struggling in the aftermath of a suicide Each author is an accomplished artist and has created a lasting work you ll want to read and relish and talk about

Social Order through Contracts Jian Qu,2021-02-04 This book is the first Western language monograph on the study of the Qingshui River manuscripts By examining over 3 000 contracts and other manuscripts this book offers constructive insights into the long standing question of how and why a society in late imperial China could maintain a well functioning social system with few laws but many contracts i e Hobbesian words without sword Three interrelated questions what contracts were how and why they worked are explained successively Thus this book presents a non stereotypical contract society in southwest China arguing that the social order which provides predictability and regularity for economic prosperity could be formed and maintained through contracts even under the condition of relatively weak influence of governmental and legal authorities This book benefits readers who are interested in law society and history While presenting the socio legal landscape of a frontier area in late imperial China for historians this book provides a novel and empirical interpretation of the supposedly well known contract device for legal researchers thereby proposing materials for an integrated theoretical explanatory framework of contracts in general By employing the innovative theory of blockchain in its key argumentation the book offers a creative interpretation of historical and social phenomena

Digest of Evidence taken before Her Majesty's Commissioners, etc. [By J. P. Kennedy. With a prefatory notice by the Earl of Devon.] Great Britain. Commissioners of Inquiry into the State of the Law and Practice in Respect to the Occupation of Land in Ireland,1848 *Digest of Evidence Taken Before Her Majesty's Commissioners of Inquiry Into the State of the Law and Practice in Respect to the Occupation of Land in Ireland* Great Britain. Commissioners of Inquiry into the Law and Practice in Respect to the Occupation of Land in Ireland,1848 The True Christian Religion Emanuel Swedenborg,1889 *Host Bibliographic Record for Boundwith Item Barcode 30112124132157 and Others* ,1848 **"The"**

True Christian Religion, Containing the Universal Theology of the New Church, Foretold by the Lord in Daniel VII. 13, 14, and in Revelation XXI. 1, 2 Emanuel Swedenborg,1878 Journalism and Democracy Brian

McNair,2012-10-12 The public sphere is said to be in crisis Dumbing down tabloidisation infotainment and spin are alleged to contaminate it adversely affecting the quality of political journalism and of democracy itself There is a pervasive pessimism about the relationship between the media and democracy and widespread concern for the future of the political process Journalism and Democracy challenges this orthodoxy arguing instead for an alternative more optimistic evaluation of the

contemporary public sphere and its contribution to the political process Brian McNair argues not only that the quantity of political information in mass circulation has expanded hugely in the late twentieth century but that political journalism has become steadily more rigorous and effective in its criticism of elites more accessible to the public and more thorough in its coverage of the political process Journalism and Democracy combines textual analysis and extensive in depth interviews with political journalists editors presenters and documentary makers In separate chapters devoted to the political news agenda the political interview punditry public access media and spin doctoring McNair considers whether dumbing down is a genuinely new trend in political journalism or a kind of moral panic provoked by suspicion of mass involvement in culture

Letters on the Condition of the People of Ireland Thomas Campbell Foster, 1846 **Mining in Latin America**

Kalowatie Deonandan, Michael L. Dougherty, 2016-07-15 The last two decades have witnessed a dramatic expansion and intensification of mineral resource exploitation and development across the global south especially in Latin America This shift has brought mining more visibly into global public debates and spurred a great deal of controversy and conflict This volume assembles new scholarship that provides critical perspectives on these issues The book marshals original empirical work from leading social scientists in a variety of disciplines to address a range of questions about the practices of mining companies on the ground the impacts of mining on host communities and the responses to mining from communities civil society and states The book further explores the global and international causes consequences and innovations of this new era of mining activity in Latin America Key issues include the role of Canadian mining companies and their investment in the region and to a lesser extent the role of Chinese mining capital Several chapters take a regional perspective while others are based on empirical data from specific countries including Bolivia Brazil El Salvador Guatemala and Peru *Unsafe*

Motherhood Nicole S. Berry, 2010-10-01 Sheds light not only on the obstacles to making motherhood safer but to improving the health of poor populations in general Social Anthropology Since 1987 when the global community first recognized the high frequency of women in developing countries dying from pregnancy related causes little progress has been made to combat this problem This study follows the global policies that have been implemented in Solol Guatemala in order to decrease high rates of maternal mortality among indigenous Mayan women The author examines the diverse meanings and understandings of motherhood pregnancy birth and birth related death among the biomedical personnel village women their families and midwives These incongruous perspectives in conjunction with the implementation of such policies threaten to disenfranchise clients from their own cultural understandings of self The author investigates how these policies need to meld with the everyday lives of these women and how the failure to do so will lead to a failure to decrease maternal deaths globally From the Introduction An unspoken effect of reducing maternal mortality to a medical problem is that life and death become the only outcomes by which pregnancy and birth are understood The specter of death looms large and limits our full exploration of either our attempts to curb maternal mortality or the phenomenon itself Certainly women's survival during

childbirth is the ultimate measure of success of our efforts Yet using pregnancy outcomes and biomedical attendance at birth as the primary feedback on global efforts to make pregnancy safer is misguided

Human Aspects of IT for the Aged Population.
