**Mini Habits** Stephen Guise, 2013-12-22 I had experimented with personal development strategies for a decade When I accidentally started my first mini habit and the changes I made were actually lasting I realized the prior strategies I relied on were complete failures When something works that which doesn't work is exposed The science in Mini Habits exposes the predictably inconsistent results of most popular personal growth strategies and reveals why mini habits are consistent A mini habit is a very small positive behavior that you force yourself to do every day a mini habit is too small to fail nature makes it weightless deceptively powerful and a superior habit building strategy Mini Habits will better equip you to change your life than 99% of the people you see walking around on this globe People so often think that they are the reason they can't achieve lasting change but the problem isn't with them it's with their strategy You can achieve great things without the guilt

intimidation and repeated failure associated with such strategies such as getting motivated resolutions or even just doing it To make changes last you need to stop fighting against your brain When you start playing by your brain's rules as mini habits show you how to do lasting change isn't so hard

**Mini Habits (summary)** Stephen Guise, 2016 [SUMMARY - Mini Habits: Smaller Habits, Bigger Results By Stephen Guise](#) Shortcut Edition, 2021-06-10 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes As you read this summary you will learn how to use the power of mini habituations to bring about the changes you want in your life You will also learn why your initial motivation doesn't last how to easily create new behaviors how to eliminate bad habits how to finally achieve your goals how to improve your life in all areas New Year's resolutions gym memberships the desire to write a book you often promise yourself that you will change everything and that this time it will be the right one Unfortunately after an initial period of enthusiasm all enthusiasm systematically falls away You then give up what you want to do no longer having any motivation and having lost some of the confidence you had in yourself These failures are the result of a bad strategy of action and a lack of knowledge of behavioral psychology Stephen Guise has also experienced these impasses but one day found the secret to finally achieving any goal This secret is mini habitues Would you like to discover them Buy now the summary of this book for the modest price of a cup of coffee

**SUMMARY: Mini Habits: Smaller Habits, Bigger Results By Stephen Guise** Shortcut Edition, 1900 **Full Summary Of "Mini Habits: Smaller Habits, Bigger Results - Based On The Book By Stephen Guise" Written By Sapiens Editorial** Sapiens Editorial, 2018-11-02 ABOUT THE ORIGINAL BOOK

At some point in our lives all human beings propose to achieve some goal or acquire some productive habit and although this type of thoughts is extremely beneficial for our personal growth the truth is that many times we begin but we do not know how continue to reach the end of the goal Mini Habits is a book that seeks to help individuals overcome these problems and continue with their growth path that will ultimately lead them to success The proposal of this work is to take small actions day by day which will add a good result

**Summary - Mini Habits: Smaller Habits, Bigger Results by Stephen Guise**

MY MBA,2022-02-13 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes Do you find it difficult to maintain a new habit over time By understanding how habits are formed and the environment that surrounds them you will be able to easily maintain new habits over time and enjoy them In this book you will learn What impact do our habits have on our lives What is the science behind habit change How is motivation the enemy of habit change How is willpower the solution to changing your habits What can we do to thicken the neural pathway of our new habit more easily What can you do concretely to make it easier to maintain a new habit over time Our answers to these questions are easy to understand simple to implement and quick in terms of results Ready to easily maintain a new habit over time Let s go Buy now the summary of this book for the modest price of a cup of coffee      **Full Summary Of "Mini Habits: Smaller Habits, Bigger Results - By Stephen Guise"** Sapiens Editorial,2018      *Mini Habits* Stephen Guise,2013-12-22 Discover the Life Changing Strategy of This Worldwide Bestseller in 17 Languages Lasting Change For Early Quitters Burnouts The Unmotivated And Everyone Else Too When I decided to start exercising consistently 10 years ago this is what actually happened I tried getting motivated It worked sometimes I tried setting audacious big goals I almost always failed them I tried to make changes last They didn t Like most people who try to change and fail I assumed that I was the problem Then one afternoon after another failed attempt to get motivated to exercise I accidentally started my first mini habit I initially committed to do one push up and it turned into a full workout I was shocked This stupid idea wasn t supposed to work I was shocked again when my success with this strategy continued for months and to this day I had to consider that maybe I wasn t the problem in those 10 years of mediocre results Maybe it was my prior strategies that were ineffective despite being oft repeated as the way to change in countless books and blogs My suspicions were correct Is There A Scientific Explanation For This As I sought understanding I found a plethora of scientific studies that had answers with nobody to interpret them correctly Based on the science which you ll find peppered throughout *Mini Habits* we ve been doing it all wrong You can succeed without the guilt intimidation and repeated failure associated with such strategies as getting motivated New Year s Resolutions or even just doing it In fact you need to stop using those strategies if they aren t giving you great results Most popular strategies don t work well because they require you to fight against your subconscious brain a fight not easily won It s only when you start playing by your brain s rules and taking your human limitations seriously as mini habits show you how to do that you can achieve lasting change What s A Mini Habit A mini habit is a very small positive behavior that you force yourself to do every day its too small to fail nature makes it weightless deceptively powerful and a superior habit building strategy You will have no choice but to believe in yourself when you re always moving forward The barrier to the first step is so low that even depressed or stuck people can find early success and begin to reverse their lives right away And if you think one push up a day is too small to matter I ve got one heck of a story for you Aim For The First Step They say when you aim for the moon you ll land among the stars Well that doesn t make sense as the moon is closer

than the stars I digress The message is that you should aim very high and even if you fall short you ll still get somewhere I ve found the opposite to be true in regards to productivity and healthy behaviors When you aim for the moon you won t do anything because it s too far away But when you aim for the step in front of you you might keep going and reach the moon I ve used the Mini Habits strategy to get into the best shape of my life read 10x more books and write 4x as many words It started from requiring one push up from myself every day How ridiculous is that Not so ridiculous when you consider the science of the brain habits and willpower The Mini Habits system works because it s how our brains are designed to change Note This book isn t for eliminating bad habits some principles could be useful for breaking habits Mini Habits is a strategy to create permanent healthy habits in exercise writing reading thinking positively meditating drinking water eating healthy foods etc Lasting change won t happen until you take that first step into a strategy that works Give Mini Habits a try You won t look back
