in high school and Croy knows it was Leigh's fault. They've never liked each other but Croy isn't cruel; he'd never turn away a pretty woman in need of some family Christmas fortification. He doesn't expect her to drink just enough candy cane martinis to tell him her secrets and he definitely doesn't expect to get caught up in her holiday madness. Despite the surprising love and laughter, Croy and Leigh can't escape the truth: he can't walk away from his family obligations and she has a life and career to reboot. But anything is possible if your holiday comes with a twist. *Hold Her Again* by Ava Wright isn't happy to see her high school sweetheart rolling into their hometown a few weeks before Christmas. There's no way she'll be able to avoid him. No one can; he's become a country music superstar since going solo and leaving Ava behind. Jace Morrow grew up believing money can't buy happiness, was something people said to make themselves feel better. But now he knows it's the truth, no matter how many number one hits he has, he'll never recapture the magic of singing with Ava. Missing her, loving her, and living with making the wrong choice in life were what made him who he is. As they fall in love all over again, they're both faced with choices for their future and this time Jace intends to make the right one.

The Kowalskis Collection Volume 3

Shannon Stacey, 2018-11-12

Four Kowalski novels full of love and laughter by New York Times bestselling author Shannon Stacey.

Love a Little Sideways (Book Six of the Kowalskis): After a brief forbidden rendezvous at her brother's wedding, Drew Miller expected Liz Kowalski to return to New Mexico and stay there. He's searching for someone to settle down with, not a casual fling with his best friend's sister. But when they're stuck together on the annual Kowalski camping trip, things start going a little sideways. Keeping their hands off each other proves just as impossible as keeping their secret from becoming public knowledge.

Taken with You (Book Seven of the Kowalskis): Surviving in the woods is game warden Matt Barnett's idea of a relaxing vacation. But when he meets two women in need of help, he leads them back to safety, a task that proves more fun than expected, thanks to a certain hot blonde. He can't resist pushing her buttons even though she's made it clear that the rugged outdoorsy type just isn't for her.

Hailey (Genest): Glad to see the back of her tempting tour guide slash pain in the ass. When he shows up in her life again, she's determined to avoid him, no matter how good he looks in his uniform. But that's easier said than done in Whitford, especially when he's renting the house right next door.

Falling for Max (Book Eight of the Kowalskis): Max Crawford has always been a little awkward when it comes to social interactions and working from home doesn't help. He spends so much time alone painting beautiful, historically accurate model trains that half of Whitford has begun to joke that he may be a serial killer. Not exactly prime husband material.

Tori Burns has found happiness in Maine, thanks in large part to her shifts at the Trailside Diner. She likes the work and she loves the local gossip. When shy, geeky Max Crawford becomes a regular, she's intrigued. When she finds out he's in the market for a wife, she's fascinated and determined to help. As she turns his comfortable life all sorts of upside down, she'll have to find a way to show just how she's fallen for him, the real him.

What It Takes (A Kowalski Reunion Novel): Being a paramedic in Whitford is nothing like Ben Rivers's city life, but when Josh Kowalski offers him the job, the lure of his hometown is too much to resist. Also, too much to resist Laney.

Caswell Ben always thought he'd have a wife and kids a happy family like the Kowalskis have all built but he never made time in his life Now he's found a woman who draws him like no other and helps him dream again and the last thing she wants is a husband
