In your presentations, we talked about what factors companies will pay their attention to when determining whether to invest. Today, you will work together to do a "PowerPoint game" where players will be in a "hot" and another investment bank up the "hot/cold" thermometer. We'll discuss the implications of how they affect the way all companies determine whether they are looking at the investment in the future, and the quality of their investment opportunities for growth.

1. What investment strategy will be the most important? (The company will be able to determine the current value of the investment in the future, and the quality of the investment opportunities for growth.)
