Hall,Linda F. Quinn,Donna M. Gollnick,2018-11-29 An ideal introductory text for aspiring teachers Introduction to Teaching Making a Difference in Student Learning is grounded in the realities and

complexities found in today's schools. Acclaimed authors Gene E. Hall, Linda F. Quinn, and Donna M. Gollnick thoroughly prepare readers to make a difference as teachers presenting firsthand stories and evidence-based practices while offering a student-centered approach to learning. The authors focus on how to address one of the biggest challenges facing many of today's schools: ensuring that all students are learning and help teachers prioritize student learning as their primary focus. From true-to-life challenges that future teachers will face such as high-stakes testing, reduced funding, low retention, and Common Core State Standards to the inspiration and joy they will experience throughout their teaching careers, the Third Edition paints an importantly authentic picture of the real life of a teacher.

Challenging Formalization in Education and Beyond Peter Serdyukov, 2022-11-03

Challenging Formalization in Education and Beyond addresses the effects of today's attempts to organize knowledge processes and performance in education, particularly in its ever-growing digital environments. As on-site, blended, and fully online learning become deeply interdependent, secondary and higher education managers and instructors who seek to integrate, apply, and teach within these formats using standardized rules, assessments, algorithms, and accountability structures may be doing unintended harm to their students. Focusing on students' performance, health, cognition, behavior, and learning outcomes, this book analyses how current trends, methods, and policies in formalization can be challenged and corrected to ensure high-quality education. Scholars, educators, administrators, and designers of traditional, asynchronous, precision, automated, and micro-learning formats will come away with new insights and pragmatic solutions for engaging students in more active, participatory, and creative activities.
