

HOLY LAUGHTER!

HUMOR IN THE BIBLE

THE DEAN JAMES VERSION

Holy Laughterhumor In The Bible English Edition

A. Roy Eckardt

Holy Laughterhumor In The Bible English Edition:

Stand-Up Preaching Jacob D. Myers, 2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker s bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience s expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on comedic traditions Coupled with the perennial Def Comedy Jams on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance

Your God is Too Somber Christopher Dreisbach, 2019-01-16 Your God is too somber if your posture before him lacks a spirit of joy and a commitment to rejoice as much as possible While life has its sadness and tragedy the good news of Jesus Christ is that God s kingdom has won and the suffering we face for a time is shorter compared with the endless delight that God promises So Rejoice in the Lord always again I will say Rejoice Phil 4 4 Your God is too somber if you embrace a theology of tears rather than a theology of laughter Of course salvation and Christ s sacrifice are serious business and we should engage in moments of penitential reflection confession and atonement But all of this so we can shake off the shackles of our shortcomings and celebrate God fully and joyfully Your God is too somber if you fail to see the humor in the Bible the calls to joy paradox irony burlesque play and wordplay God laughs sometimes with us sometimes at us and Jesus s humor is evident in parables and sayings with the goal of teaching us the truth Is your God too somber This book aims to help you answer that question

God at the Improv Anthony J. Petrotta, 2020-12-17 Asking if there is humor in any religious text might seem blasphemous to many readers Religious texts are there to instruct us not entertain us Religious texts are serious works not frivolous However if part of being human entails having a sense of humor then it would be more surprising indeed for Scripture not to have humor Humor instructs us as much as it entertains us God at the Improv seeks to show that being religious and being humorous are not opposites but actually work in tandem to enhance and enliven our faith and practice

Comic Relief John Morreall, 2011-08-24 Comic Relief A Comprehensive Philosophy of Humor develops an inclusive theory that integrates psychological aesthetic and ethical issues relating to humor Offers an enlightening and accessible foray into the serious

business of humor Reveals how standard theories of humor fail to explain its true nature and actually support traditional prejudices against humor as being antisocial irrational and foolish Argues that humor s benefits overlap significantly with those of philosophy Includes a foreword by Robert Mankoff Cartoon Editor of The New Yorker **Military Chaplains' Review** ,1985 **Religion and Media in America** Anthony Hatcher,2018-05-25 Covering topics ranging from the Moral Monday movement to Christian films and performers Religion and Media in America is a qualitative study of the ways in which religion has been woven into American popular and civic culture This book explores how Christianity both adapts to and is affected by new media forms Its six chapters address religious activism government imposition of religiosity into secular culture religious entertainment Bible translations marketed as consumer goods and how religious satire comes from both religious and secular sources Recommended for scholars and students interested in media studies film studies religion communication American history American studies political science and popular culture **America's Most Famous Catholic (According to Himself)** Stephanie N. Brehm,2019-09-03 A case study of the intersection of humor and American Catholicism in contemporary society For nine years Stephen Colbert s persona Colbert a Republican superhero and parody of conservative political pundits informed audiences on current events politics social issues and religion while lampooning conservative political policy biblical literalism and religious hypocrisy To devout vocal and authoritative lay Catholics religion is central to both the actor and his most famous character Yet many viewers wonder Is Colbert a practicing Catholic in real life or is this part of his act This book examines the ways in which Colbert challenges perceptions of Catholicism and Catholic mores through his faith and comedy Religion and the foibles of religious institutions have served as fodder for scores of comedians over the years What set Colbert apart on his show The Colbert Report was that his critical observations were made more powerful and harder to ignore because he approached religious material not from the predictable stance of the irreverent secular comedian but from his position as one of the faithful He is a Catholic celebrity who can bridge critical outsider and participating insider neither fully reverent nor fully irreverent Providing a digital media ethnography and rhetorical analysis of Stephen Colbert and his character from 2005 to 2014 author Stephanie N Brehm examines the intersection between lived religion and mass media moving from an exploration of how Catholicism shapes Colbert s life and world towards a conversation about how Colbert shapes Catholicism Brehm provides historical context by discovering how Colbert compares to other Catholic figures such as Don Novello George Carlin Louis C K and Jim Gaffigan who have each presented their views of Catholicism to Americans through radio film and television The last chapter provides a current glimpse of Colbert on The Late Show where he continues to be voice for Catholicism on late night now to an even broader audience America s Most Famous Catholic According to Himself also explores how Colbert carved space for Americans who currently define their religious lives through absence ambivalence and alternatives Brehm reflects on the complexity of contemporary American Catholicism as it is lived today in the often ignored form of Catholic multiplicity thinking Catholics

cultural Catholics cafeteria Catholics and lukewarm Catholics or what others have called Colbert Catholicism an emphasis on the joy of religion in concert with the suffering By examining the humor in religion Brehm allows us to clearly see the religious elements in the work and life of comedian Stephen Colbert Praise for America's Most Famous Catholic According to Himself Combining the interpretative skills of an academic with a natural appreciation for pop culture Brehm offers a lively look at why the new evangelization may be just as much the responsibility of comics as of clerics James Martin SJ Jesuit priest and author of *Jesus A Pilgrimage* and *The Jesuit Guide to Almost Everything A Spirituality for Real Life* Anyone interested in religious comedy's recent history in America will enjoy Stephanie Brehm's book If you want to study how humor social media and entertainment inform and mold our church and public opinion today this book will be a good choice for you Catholic Philly

Humor in the Gospels Terri Bednarz, 2015-05-05 *Humor in the Gospels* is the most comprehensive resource on Gospel humor to date Terri Bednarz reviews and critiques a 150 years of biblical scholarship on the subject from little known journal articles and out of print books to the most well respected classical works of today She covers a range of scholarly discussions on the various forms and functions of Gospel humor from frivolity to witty allusions to satirical barbs She examines the barriers of associating humor with the Gospel depictions of Jesus the difficulties of identifying humor in ancient biblical texts and the advances of literary contextual and rhetorical approaches to recognizing Gospel humor This important work includes an extensive bibliography for further study of Gospel humor in particular and Biblical humor in general

How to Tell God from the Devil A.
Roy Eckardt, 2018-01-16 How to Tell God From the Devil is the first book to depict the relationship among comedy the Devil and God Drawing from Jewish and Christian theories Eckardt describes comedy as a means to distinguish the divine from the diabolic He presents a thorough critique of efforts throughout history to justify God in the presence of radical evil and suffering How to Tell God From the Devil is a sequel to Eckardt's fascinating earlier study Sitting in the Earth and Laughing Eckardt offers a theological vision of the comic and shows its practical use in differentiating God from the Devil The viewpoint presupposed is a special application of the incongruity theory of humor which sees humor as an attempt to deal with inexplicable occurrences Eckardt shows how humor can make faulty explanations tolerable for examining evil and suffering particularly the notion that God can somehow be excused for the terrible evils extant in the world Eckardt critiques dualistic views that make the Devil and God independent sovereign beings and monistic views that try to reduce evil to non-being Eckardt holds God to be ultimately responsible for evil in such ways that the only final resolution of evil if there is such is a form of divine comedy Eckardt employs a variety of historical psychological sociological philosophical and theological sources He discusses and assesses such diverse figures as Martin Luther Reinhold Niebuhr Zen Buddhists Conrad Hyers Nancy A Walker Jon D Levenson and Harvey Cox How to Tell God From The Devil is an exceptional work and will be significant and enjoyable for sociologists theologians philosophers and specialists concerned with the study of humor

The Enigmatic Realm of **Holy Laughterhumor In The Bible English Edition**: Unleashing the Language is Inner Magic
