Homeless No Bull English Edition:

No Bull Dan Bickley, 2015-08-18 Who is Dennis Rodman Readers flocked to find out with *Bad As I Wanna Be* a confessional by Rodman himself that sold roughly 600 000 copies But an autobiography rarely attains objectivity nor tells the whole story *No Bull* chronicles the life of America's Bad Boy from the time his mother fled a broken marriage to Dallas with Dennis and his two sisters to his early arrest for theft to his emergence as a star at Southeastern Oklahoma State Bickley follows Dennis during his rookie year and beyond with the Detroit Pistons where he began to make headlines for more than his basketball talent to suspensions while playing for the San Antonio Spurs to his time with Michael Jordan and Chicago Bulls We see Dennis Rodman on and off the court and the reader can be sure no punches are pulled

No Bull Kelly Palmer, 2011-04 Finally someone is asking the questions that need to be asked *No Bull* may be politically incorrect and may offend It addresses many topics that most preachers will not discuss for fear of losing part of their congregations or losing their jobs But if you want an honest straight talking assessment of the current state of Christianity and Christian churches then this is the book for you *No Bull* reveals false teachings in the Christian church It exposes several instances of churches doing things that the Bible clearly says not to do Several topics are addressed from marriage and family life to evolution versus creationism to the age of accountability and the rapture Church leaders and all Christians will benefit greatly from the frank opinions expressed in *No Bull* New author Kelly Palmer takes a commonsense Bible based approach to issues facing Christianity today The conversational tone and personal touch make for a fun thought provoking read

Street Justice Jason Bruce, 2016-08-08 In a world where those at the top seem to constantly get away with murder often quite literally where white collar crime is punished with a mere slap on the wrist or more often than not just swept under the rug wouldn't it be nice to see at least some form of

punishment meted out Street Justice poses one of those big what if questions that lurk in the back of our minds What would we like to see happen to that murderer when he s caught What if those muggers chose the wrong person to steal from and got a severe beating for their troubles Now imagine if one day the government decided to do something about it a token gesture at least and offer the choice between thirty years behind bars for playing a role in crashing the stock market or thirty days seeing how the other half in this case the homeless What with overcrowding in prisons as it is as well as public resentment at having to pay their taxes for people like that to serve a shortened sentence in an open prison watching TV getting three meals a day when ordinary folk rely on food banks wouldn t it make more sense to give them a much shorter but much harsher sentence sleeping out in the cold eating out of rubbish bins etc Based on trust in this scenario there would be no need for walls barbed wire armed guards etc only an independent film maker and his crew moderate government funding and a team of three genuinely homeless men with drug and alcohol issues to run the show What could possibly go wrong Heaven forbid it ever did and word were to get out the whole thing might just be swept under the rug all footage of the event seized never to see the light of day ever again But what if just if a transcript of the recorded material still existed Now imagine those shameless champagne guzzling tax avoiding let them eat cake boys getting the only real justice they deserve Street Justice
