(Hornbill) (Chapter – 1) (The Portrait of a Lady) (Important Questions)
(Class – XI)

Question 7:

How did this grandmother raise her grandson being away from parents?

Answer 7:

Away from the children, this grandmother did not leave any stone unturned in the upbringing of her grandson. She used to wake up Khushwant in the morning, prepare him for school and escort him till there. She used to bring him back from school too. To connect him with religion, she used to sing prayers continuously. A person should be a charitable and should do good deeds, for this she used to feed the dogs in front of the narrator so that he also had the same qualities. She was doing her best in the absence of her son and daughter-in-law in upbringing of her grandson.

Question 8:

Describe how the grandmother spent her time while the narrator sat inside the village school.

Answer 8:

As long as the narrator studied in the village school, his grandmother used to read religious books sitting in the temple adjacent to the school and she used to bring him back again when school was off in afternoon.

Question 9:

How was the relationship between grandmother and grandson?

Answer 9:

The relationship between the two was very good. Khushwant never bothered his grandmother nor did he have any complaint from his grandmother's side. He used to spend very good time with his grandmother from morning till night. At night she used to share bed time stories with him. According to the author, that time was the best time of his life and this was the reason why he wrote this book 50 years after the death of his grandmother.

Question 10:

How can you say that his grandmother was a kind hearted person?

Answer 10:

She was an old widowed woman who used to spend all her time in worship. When she was in the village, she used to feed the dogs in the morning and when she came to town, she used to feed sparrows every day. This shows that her heart was kind and compassionate towards not only humans but also towards animals and birds.

Question 11:

What was the "turning point" in relationship of grandson and grandmother? Why?

Answer 11:

As long as both lived in the village, they used to spend all their time with each other. They used to talk a lot from morning to late night. But when they were called in city and narrator got admission in an English medium school, their daily conversation started decreasing because narrator got busy with his studies. Though they still loved each other but as other family members got involved, their conversation decreased and this became the turning point of their life.
