possible path to recovery The Art of Literary Thieving William Arnold Glasser,2009 For much too long now a literary work once completed has been viewed as having a separate existence no longer under the author s control and so left open to a variety of responses regardless of how widely variable or even contradictory they might prove to be However that misguided approach simply ignores the fact that the three authors in each case have maintained a strong controlling presence within their completed works a pervasive presence that is clearly revealed through the meticulous crafting we can discover throughout each work The Art of Literary Thieving invites its readers to follow in the clearly marked footsteps of these three classic authors as each of them crafts his materials into one of the world s truly exceptional literary experiences The close and as yet undiscovered relationship that exists between these three works offers readers a more revealing light that shines forth from each of them upon the other two bringing a greater clarity to these always challenging literary creations That relationship also helps to highlight the detailed crafting within each work that has been meticulously designed in each case to guide the reader to the author s ultimate goal a vibrant imaginative experience imbued with meaning and emotion that the author wishes to share with the reader The three authors without question have each succeeded in reaching that goal And they also remain within their works ready to show their readers how to join them This is an important book for all literature collections **No Man's Ghost** Jason Powell,2025-05-27 It s an FDNY firefighter s first and possibly last week on the job Charles Davids is a probationary firefighter working his first week out of the academy For Charles quietly battling his lack of confidence is a daily challenge as his new officers coach him on life as a New York City firefighter The men love to tease and prank the new guy but when it comes to drilling and training they re clear that the job is no joke As is said in the fire service let no man s ghost return to say my training let me down Unfortunately for Charles his first week is the same week that Alan Johnson an unstable and soon to be ex husband gets kicked out and comes up with the idea to report fake fires at his wife s apartment every night Alan laughs at the thought of her being awakened nightly by sirens and horns if he can t sleep in their apartment why the hell should she But after days of crying wolf Alan decides that fake fires aren t enough Set on the hot summer streets of NYC and building to a fiery conclusion No Man s Ghost is a vibrant and thrilling look at the people who keep a city safe and the ones who want to watch it burn *The Rabbit Hutch* Tess Gunty,2022-08-02 NEW YORK TIMES BESTSELLER NATIONAL BOOK AWARD WINNER The standout literary debut that everyone is talking about Inventive heartbreaking and acutely funny The Guardian A BEST BOOK OF THE YEAR The New York Times TIME NPR Oprah Daily People Blandine isn t like the other residents of her building An online obituary writer A young mother with a dark secret A woman waging a solo campaign against rodents neighbors separated only by the thin walls of a low cost housing complex in the once bustling industrial center of Vacca Vale Indiana Welcome to the Rabbit Hutch Ethereally beautiful and formidably intelligent Blandine shares her apartment with three teenage boys she neither likes nor understands all like her now aged out of the state foster care system that has repeatedly failed them all searching for meaning in their
