trying to survive seven boys on the run who became brothers Through everything we stuck together and no one will ever tear us apart Or so we thought Adding our soulmates to the mix should have been nothing but bliss Unfortunately someone s after our family a hidden ghost from our past One who is willing to take it all away everything we worked for everything we built Will we be able to stop them before we lose more than just our dreams before we lose ourselves and those we love more than life itself With our brothers at our backs and our women at our sides we will face whatever this threat is head on and overcome
