

# THE NEW STUDENT TEACHER

Dear Parents and Guardians,

Hi, my name is Mr./Ms./Mrs. \_\_\_\_\_ and I am very excited to be a student teacher in your child's classroom for the next two years. Great that I will be in the classroom with your child, and sharing Associate Teacher's name. I thought I would tell you a little background about me.

Add some of your educational/personal background, for example:  
Last year I received my Bachelor of Arts in the Honors Program Psychology, and I am now finishing my first year of the Bachelor of Education program at Trent University. This is my second teaching placement, as I'd like you to know how dedicated, and enthusiastic I am to be in the classroom. I feel lucky to have this opportunity to be in a Grade \_\_\_\_\_ classroom at placement school. In my free time I enjoy reading, DIY projects, and spending time with my friends and family.

I have wanted to be a teacher for as long as I can remember, and am thrilled to be working with this class. I know that this will be a time full of learning, not only for the students, but for me as well!

If you have any questions please don't hesitate to ask.  
Thank you for this opportunity!

Sincerely,  
(First initial, last name)

**The Conscious Teacher** Deborah Nichols Poulos, 2020-01-13 The Conscious Teacher is about all kinds of strategies and techniques educators might employ to become more effective teachers In an accessible conversational style Deborah Nichols Poulos presents unique approaches to teaching that will inspire new and veteran teachers alike She begins with her personal story of not being able to read all through elementary school Her early failures convinced her she was dumb At first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high An experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching What makes The Conscious Teacher unique are the inspirational lessons that are unlike what most teachers get in their teacher education courses or student teaching Ms Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare s Hamlet Macbeth King Lear Julius Caesar and A

Midsummer Night's Dream She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize The Conscious Teacher is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well The Conscious Teacher is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling *Effective Instructional Strategies* Kenneth D. Moore, 2011-09-21 Effective Instructional Strategies From Theory to Practice 3e covers the practical information that all effective K 12 teachers need Applying the latest research findings and practical classroom practices it provides thorough coverage of the strategies and skills essential to every teacher's repertoire The text provides information about how to be an effective classroom teacher It has been carefully designed to maximize instructional flexibility and to model established principles of instruction as well as to expand the pedagogical teaching knowledge of teachers and their instructional repertoires 3e covers the practical information that all effective K 12 teachers need Applying the latest research findings and practical classroom practices it provides thorough coverage of the strategies and skills essential to every teacher's repertoire The text provides information about how to be an effective classroom teacher It has been carefully designed to maximize instructional flexibility and to model established principles of instruction as well as to expand the pedagogical teaching knowledge of teachers and their instructional repertoires Effective Instructional Strategies can be used as a core text for primary middle secondary or K 12 general methods courses or for use in service seminars and workshops with a practical application focus It also makes an ideal reference text for individuals wanting an update and or refresher prior to taking state or national competency exams

**Resources in Education**, 2001-10 Educational Research Document Summaries Educational Research Information Center (U.S.), 1966 **The Japanese High School** Shoko Yoneyama, 2012-10-02 For large numbers of school students in Japan school has become a battle field Recent violent events in schools together with increasing drop out rates and bullying are undermining stereotypes about the effectiveness of the Japanese education system This incisive and original book looks at Japanese high school from a student perspective and contextualises this educational turmoil within the broader picture of Japan's troubled economic and political life **Looking Together at Student Work** Tina Blythe, David Allen, Barbara Schieffelin Powell, 1999 The authors have created a practical guide to provide teachers with strategies and resources for working together to examine and discuss student work such as science projects essays art work math problems and more Written for teachers administrators curriculum coordinators staff developers and researchers this book offers a clear process for starting and sustaining collaborative discussions of student work and student learning detailed descriptions of two kinds of structured conversations the Tuning Protocol and the Collaborative Assessment Conference that guide discussion of student work and real examples from schools that have developed their own ways of looking collaboratively at student work

School, Family, and Community Partnerships, Student Economy Edition Joyce Epstein, 2018-10-03 This book encourages

more professors of education sociology psychology and related fields to prepare the next generation of education professionals to understand and implement programs and practices of family and community involvement to increase student success in school     The New Cambridge English Course 3 Teacher's Book Michael Swan, Catherine Walter, Desmond O'Sullivan, 1992-09-10 The New Cambridge English Course is a four level course for learners of English     **Journal of the Florida Education Association** Florida Education Association, 1928     **School Administrator's Complete Letter Book**, 2003-04-30 The School Administrator's Complete Letter Book with CD ROM Second Edition offers a comprehensive selection of model letters and memos for a wide variety of educational purposes and situations This book and its accompanying CD contain a gold mine of tested usable letters and other communiques some of which can be used practically word for word from the book while others can be adapted to your specific needs The book's letters and memos represent the contributions of more than 60 outstanding school administrators throughout the United States including superintendents principals supervisors guidance counselors and others all of them with well earned reputations for solid professional communication Many types of letters are included letters addressed to parents teachers students teacher applicants other school administrators businesspeople and the community at large In addition this handy resource is clearly organized designed for easy use and filled with the best letters of the best communicators in modern American education The CD ROM makes the letters easy to modify to fit your own situations     *Implementing Student-Led Conferences* Jane M. Bailey, Thomas R. Guskey, 2001 Students and parents benefit from this powerful communication tool Jane Bailey and Thomas Guskey leaders in the field of student assessment address a nagging issue for both beginning and veteran teachers how to effectively communicate to parents the learning progress of their children Every teacher knows the sinking feeling of facing a sea of anxious parents with limited time for in depth discussion Now there is a way for students to take responsibility in communicating their progress and for parents to get the satisfaction they deserve In this new approach the teacher serves as facilitator as students lead their parents through a discussion of their work An important benefit in this innovation students are required to evaluate and reflect upon their work Highlights of *Implementing Student Led Conferences* include Overview and philosophy of student led conferences Roles and responsibilities of participants What an effective model looks like How to prepare organize and evaluate for maximum effectiveness Anticipating and handling unique situations The role of student led conferences in authentic assessment and reporting A rich resource section includes everything you need to prepare conduct and evaluate successful student led conferences sample conference announcements and formats portfolio planners reproducible letters parent and student response forms teacher surveys and much more This is an essential resource for teachers and administrators at every school level to maximize time improve communication with parents and encourage student self reliance     **Teacher's Guide** Karen Gentry-Ederer, 2012-09-30 Create a common language for the school teachers and parents with the help of this Teacher's Guide With ideas and supporting materials for easy and effective family

night activities centered around specific content areas teachers can easily encourage parent involvement These activities help acquaint parents and students with the eighth grade classroom creating a more cohesive learning environment for students
