Record keeping: what are the three facts your records should tell you to instantly reveal inherent problems and hidden opportunities. Taxes: discover how to take advantage of the significant tax savings that are available to the home based business owner in the form of deductions, credits, and depreciation allowances. Zoning, licensing, and permits: laws and regulations you must be aware of to avoid legal errors. How to build the image of your home business, simple, easy to copy ideas that will enhance your image and the response you get from your customers. The initial promotion for a new home based business, practical techniques you can put to work immediately. Effective home business ideas that bring immediate results: what are the secrets behind the people who have million dollar home based businesses? Discover the 24 techniques proven to turn your home business into a money machine. All these and much, much more. My name is Meir Liraz and I'm the author of this book. According to Dun Bradstreet, 90% of all business failures analyzed can be traced to poor management. This is backed up by my own experience. In my 31 years as a business coach and consultant to small businesses, I've seen practically dozens of small business owners go under and lose their businesses not because they weren't talented or smart enough, but because they were trying to re-invent the wheel rather than rely on proven, tested methods that work. And that is where this book can help: it will teach you how to avoid the common traps and mistakes and do everything right the first time.
