

7-18c: ICS B Class Activity Guide

Class Activity

For this activity, this video explains the video: <https://www.youtube.com/watch?v=30mXa3b3u3o>

Students study following operations while watching the video. I'll give a few minutes for reflections about the video. Anytime, students can go back through video watching. You will discuss in class following the video and reflections.

1. What information was given to participants prior to the start?
2. What information was given to participants prior to the start?
3. What did you expect to happen in the participants' behavior if informed someone was given?

Afterward, students independently discuss what the operations are and what they expect to happen. They can then go back through the video and what they expect to happen.

End The Day

For the end of the day, students can participate in the end of the day activity.

Students can independently discuss the video and what they expect to happen. They can then go back through the video and what they expect to happen.
