Summary of Iyanla Vanzant's Forgiveness Everest Media,2022-05-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Forgiving the past is the only way to create a more loving productive and fulfilling life Everything we do and experience in life is born from the energy we carry People and experiences show up in response to the conscious and unconscious energetic invitations we issue 2 We can t clear our puppy mind thoughts until we learn how to meditate and we can t release the hidden feelings attached to those thoughts until we practice forgiveness These two practices still the puppy mind so that the energy blocked in our bodies can bubble up to the surface and be released 3 Neck down dead people who refuse to feel their true feelings will do the opposite They will refuse to become attached in the first place and they will come across as cold and hard hearted 4 Forgiveness is a process that stops the ride and eliminates the wounds of the past from the mind and heart It supports our growth into a new way of thinking being and living

Summary of Iyanla Vanzant's Peace from Broken Pieces Everest Media,2022-08-08T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The breaking down of a life into pieces is a painful process and it is even more difficult to endure When your life begins to unravel piece by piece there is nothing you can do to stop it You see what is happening and you know what is happening but you don t know what to do about it 2 The truth is that I knew for a long time that I needed to share the story of my most recent life experiences The experiences I had after I had become famous The truth is that I was being disobedient to my own inner guidance I was afraid of the responsibility of standing up straight in the power and majesty of what my life was becoming 3 I am going to tell you a story about how a New York Times best selling author ended up flat broke looking for a place to live I am going to share with you the intimate details of how an internationally recognized spiritual teacher ended up on the edge of the bed in a million dollar home contemplating suicide 4 My story is a demonstration of the generational karmic energy that affects how we see ourselves and how that identity often works against our best interest It is something that many women experience and struggle to live past
