Advancing Africa's Sustainable Development Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa's fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women's interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in

advancing science technology and innovation in Africa

Standing Up, Speaking Out Matthew R. Meier,Casey R. Schmitt,2016-10-14 In recent decades some of the most celebrated and culturally influential American oratorical performances have come not from political leaders or religious visionaries but from stand up comics Even though comedy and satire have been addressed by rhetorical scholarship in recent decades little attention has been paid to stand up This collection is an attempt to further cultivate the growing conversation about stand up comedy from the perspective of the rhetorical tradition It brings together literatures from rhetorical cultural and humor studies to provide a unique exploration of stand up comedy that both argues on behalf of the form s capacity for social change and attempts to draw attention to a series of otherwise unrecognized rhetors who have made significant contributions to public culture through comedy

This book reviews the efficacy of Global Health Law assessing why its legal framework based on the International Health Regulations did not represent a valid tool in the containment of modern global pandemics such as COVID 19 The book provides an introduction to the international legal framework surrounding epidemics and pandemics and the main global governance issues that have been generated by the COVID 19 outbreak It highlights the main shortcomings of Global Health Law while also including practical proposals to improve the WHO s mechanism to prevent and respond to future disease outbreaks such as the New Pandemic Treaty Emphasis is placed on what has not worked in the international regional and national responses to COVID 19 It is argued that the pandemic has shed light on the weaknesses of global and domestic health law By identifying legal gaps and providing legal arguments the book contributes to the historical and conceptual foundation as well as the practical development of international law in the new age of COVID 19 with the ultimate goal of stimulating legal reform in this vital new era The work will be essential reading for academics researchers and policy makers working in International Law Health Law Environmental Law Human Rights Law Biolaw and the Law of International Organizations Gender in Nascent Module II Programmes in Kenyan Public Universities Michael Wainaina,2008-12-31

This study addresses the intersection of issues of gender and the nascent Module II Programmes in public universities in Kenya The term Module II programmes to refer to all the adult continuing lifelong education programmes in public universities in Kenya that are being offered to mature students who are not selected through the Joint Admissions Board JAB The onset of the new millennium has seen an unprecedented growth of these programmes in Kenyan public universities The study s objectives were To identify how men and women participating in Module II programmes compare in demographic socio economic attitudinal and related factors To determine to what extent Module II programmes are providing an avenue for women and men to change to science oriented career options and to determine to what extent gender equity has been identified as an objective in Module II programmes in Kenyan public universities **Medical Council ,1901 Handbook of Research on Inclusive and Accessible Education** Maguvhe, Mbulaheni Obert,Mpya, Nwacoye Gladness,Sadiki, Marubini Christinah,2024-02-16 In the vast expanse of education a pervasive issue remains in the marginalization and lack of visibility of individuals with disabilities Despite a strong desire for inclusivity recent research suggests that fewer than 5% of children with disabilities in 51 countries across sub Saharan Africa and South Asia are enrolled in primary school This exclusion is not solely in enrollment numbers even those who manage to attend face learning environments ill equipped to adapt to their needs leading to further isolation Girls with disabilities in particular endure heightened vulnerability to abuse reflecting a systemic failure to provide an environment that fosters equality dignity and respect for all The Handbook of Research on Inclusive and Accessible Education emerges as an inspiration for change providing a profound solution to the persistent issue of exclusion The book encapsulates a collective effort to reimagine education It advocates for a paradigm

shift moving away from the confinement of special schools and towards inclusive mainstream settings By addressing controversies sharing successes and outlining prospects the book serves as a comprehensive guide for special school governing bodies curriculum advisors university lecturers and all stakeholders committed to reshaping education

Indigenous Knowledge in Africa and its Diaspora Ibigbolade Aderibigbe, Alloy Ihuah, Felisters Kripono, 2015-09-04 This volume proposes a wholesale adoption of African Indigenous Knowledge Systems AIKS as a paradigm for Africa's renewal and freedom from the whims of foreign interests These systems as argued here involve balancing short term thinking and immediate gratification with longer term planning for future generations of Africans and the continent's diaspora The book will be of interest to anyone concerned with development studies in Africa and its diaspora as it offers plausible solutions to Africa's chronic developmental problems that can only be provided from within Africa rather than through the intervention of external third parties As such it provides vital contributions to the ongoing search for viable answers to the challenges that Africa faces today **Second International Handbook on Globalisation, Education and Policy Research** Joseph

Zajda, 2015-01-06 This handbook presents a global overview of developments in education and policy change during the last

decade It provides an accessible practical and comparative source of current research that examines the intersecting and diverse discourses of this important issue Divided into two parts the handbook first examines globalisation and education policy reforms including coverage of main trends as well as specific policy issues such as gender equity minorities and human rights Next the handbook offers a comparative perspective that evaluates the ambivalent and problematic relationship between globalisation the state and education reforms globally It features coverage on curricula issues and education reforms in schools around the world as well as the curriculum in the global culture Now more than ever there is a need to understand and analyse both the intended and the unintended effects of globalisation on economic competitiveness educational systems the state and relevant policy changes all as they affect individuals the higher education sector schools policy makers and powerful corporate organisations across the globe By examining some of the major education policy issues particularly in the light of recent shifts in education and policy research this handbook offers readers a comprehensive picture of the impact of globalisation on education policy and reforms It will serve as a vital sourcebook of ideas for researchers practitioners and policy makers in education
