Journal of Biblical and Theological Studies, Issue 3.1 Daniel S. Diffey,Ryan A. Brandt,Justin McLendon,2018-04-18 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics *In the Public's Interest* Gautam Bhan,2016-11-15 This book studies the recent legacy of basti evictions in Delhi mass clearings of some of the city s poorest neighborhoods as a way

to understand how the urban poor are disenfranchised in the name of public interest and in the case of Delhi by the very courts meant to empower and protect them Studying bastes says Gautam Bhan provokes six clear lines of inquiry applicable to studies of urbanism across the global south The first is the long standing debate over urban informality and illegality the debate s impact on conceptions and practices of urban planning the production of space and the regulation of value The second is a set of debates on good governance read through their intersections with ideas of planned development within rapidly transforming cities The third is the political field of urban citizenship and the possibilities of substantive rights and belonging in the city The fourth is resistance and the ability of a city s subaltern residents to struggle against exclusion The two remaining inquiries both cut across and unify the first four One of these is the role of the judiciary and the relationships between law and urbanism in cities of the global south The other is the relationship between democracy and inequality in the city What emerges about Delhi in particular are a set of new modes for the reproduction of inequality When rights are lost citizenship is unequal and differentiated the promise of development is refused and poverty and inequality are reproduced and deepened The task at hand says Bhan is not just to explain evictions but also to listen to what they are telling us about the city that is as well as the city that can be

The Dying Body as a Lived Experience Alan Blum, 2016-10-04 The anxiety over death persists in everyday life though often denied or repressed lingering as an unconscious worry or intuition that typically seems to compromise one's feelings of well being and experience in a range of areas coming out often as malaise depression and anger in much conduct If one accepts the cliché that life is preparation for death we must accept that the lived experience of the dying body is not highlighted merely in obvious cases of deterioration such as in the ageing or diseased body but in everyday life as a normal phenomenon This book proposes that sensitivity to this dimension can empower us to develop creative relationships to the vulnerability of others and to ourselves as well Part One lays the groundwork for a study of the ways the aura and fear of death recurs as a constant premonition in life and how people try to deal with this uneasiness Part Two then goes on to apply this focus to particular concerns and problems such as dementia depression aging retirement and a range of anxieties frustrations and aggressions *The Dying Body as Lived Experience* will be of interest to a wide interdisciplinary audience in the health sciences in the sociology of health and illness philosophy bioethics and in the expanding field of medical humanities

The Gayborhood Christopher T. Conner, Daniel Okamura, 2021-03-31 The Gayborhood From Sexual

Liberation to Cosmopolitan Spectacle explores the lived experiences of LGBT persons in an era of heightened visibility. Gay urban enclaves known colloquially as gayborhoods illustrate the evolution of LGBT political capacity building. Since their emergence after World War II, gayborhoods have homogenized at the expense of women, transgender, and nonwhite persons due to neoliberal policies promoted by urban planners. Thus, their popularization and economic vitality correlate with a loss of collective identity and space for some inhabitants. While gayborhoods were once diverse and inclusive spaces that rejected normative institutions of marriage and assimilation into dominant society, the stakeholders of these areas have now unashamedly aligned themselves with conformity and profitability to legitimize their existence. The contributors within *The Gayborhood* invite readers to reflect on the future of LGBT politics and look beyond the commercialized rainbow spectacle of gayborhoods to the communities and aspirations within.
