## **Jack Julian Gay Romance English Edition:**

His Kind of Home Hollis Shiloh, Jack hates the new gardener Matt was hired by the wizard to repair Jack's hacking efforts. He's also blond and perfect with good looks that make Jack feel uglier than dirt and fill him with a strange longing. Jack has never fit in anywhere, belonged anywhere. Hired straight from the orphanage used to fighting for survival, he's always longed for family and love. Now gentle magical Matt seems willing to be his friend or more than a friend. The arrival of caravan travelers turns Jack's life upside down. They might just be his true family, a family that actually wants him. Could this be his first real chance at belonging? And if so, where does Matt fit in his new life? Heat rating very low. Length 29,000 words.

You're Worth It Hollis Shiloh, Will is gay, a sweet but forgetful wolf shifter who doesn't seem to have any standards for who he dates. That bothers his partner far more than it should. Elliot, who is definitely, definitely not gay, was deeply traumatized by growing up in a strict belief system. In his mind, there's nothing to be gained from examining too closely who he might be. Nothing but pain, heartbreak, maybe even damnation. An overly friendly fox shifter, a fat orange housecat, and a lot of soul searching may end up changing his mind. Because sometimes secrets won't stay buried. And at some point, he has to tell the truth to himself and to Will. 43,500 words.

You and Me Hollis Shiloh, Jack and Lucas work together and enjoy making each other laugh. It's weird to Jack to only find a best friend now when he's technically a grownup. He isn't sure it's mutual. And he's pretty sure he has a crush on Lucas. Now Lucas is in trouble and doesn't have anywhere to stay. Jack finally convinces him to move in, but Lucas insists it's just till he's on his feet. As his stay becomes longer and their lives weave together, Jack has to decide if he's ever going to say anything about how he feels or if he just needs to get over this. But his crush doesn't seem to be fading. 36,000 words.

Heat level: sweet, young adult, new adult.

KEEP Hollis Shiloh, Pete might always know when people are lying, but that doesn't make him a good judge of character. Will he ever find a man who wants to keep him? Pete's the kind of guy who gets on people's nerves. He can't sit still. He talks too much. He doesn't know when to shut up. And he always knows when people are lying. While his talent wasn't strong enough to get an empath rating from the ESRB, he now has a second chance with the new testing system they're using. If he makes it, he'll have some well-paying job offers from people who actually appreciate his gifts. Maybe this time things will work out. Maybe his life will finally take a turn for the better. With some hot guys in it too. 64,000 words.

Some Reservations Hollis Shiloh, 2017-07-26. Craig isn't sure he wants to work with a wolf shifter. He scored well enough on the tests that his precinct is sending him through the program whatever he thinks about it, unless he can manage to flunk out. But the program proves to be both more interesting and more harrowing than he expected. Especially because of one guy he can't seem to stop thinking about: a gorgeous yet annoying
