Bulletin Malden Public Library (Mass.),1906 *Bulletin* Chicago Public Library,1906 Consists of accessions and books in foreign languages **Bulletin** Omaha Public Library,1901 **Conceptions of Professionalism** Ken Bruce,Abdullahi D. Ahmed,2016-05-23 In *Conceptions of Professionalism* Ken Bruce and Abdullahi Ahmed present the results of research into understanding what professionalism means to individuals who are CERTIFIED FINANCIAL PLANNERTM professionals and how they conceive of acting professionally Financial planning is establishing itself as a relatively new emerging profession and an understanding of how its members experience professionalism provides insights that will help those responsible across the international financial planning community to establish relevant accurate and meaningful professional standards for financial planners The authors employ the relatively new research methodology of phenomenography which enables them to describe the qualitatively different ways in which people understand or experience a phenomenon This particularly lends itself to the study of a concept such as professionalism This study gives voice to the financial planners represented in the research and will inform standard setting bodies seeking to understand professionalism through the eyes of the professionals themselves What the research reveals about the concept of professionalism itself will be of value to those whose interests lie beyond the world of financial planning and the application of the methodology used in the study will inform researchers contemplating phenomenographical studies elsewhere *The Journey of Rabbi and Rachel Abramowitz* Mona Mandel Abramowitz,2012-04-11 Rabbi Mayer and Rachel Abramowitz are beloved fixtures on the Miami scene They have that special quality when you meet you immediately respect them and consider them close friends But they only became fixtures in one place after they journeyed through many Their unique story begins in Rachel s Polish shtetl and Mayer s youth in British ruled Palestine The political climate and world events took Mayer to the United States and Rachel to Kazakhstan and Uzbekistan In the often strange but wondrous flow of Jewish life it was in a camp for displaced Jews in Germany that their very different journeys merged into one There were other stops geographically but their journey is really about the life they made It s about surviving WW II through fortitude and fortune and then helping to smuggle Jews out of Europe to Israel It s about being the prime force in establishing the Cuban Jewish community in South Florida and building Jewish institutions in Miami Israel and throughout the world It s about creating a family that continues their legacy In reading the stories of Rabbi and Rachel Abramowitz you will travel through Jewish history As they touched the lives of so many on a personal level they found themselves on a historical journey These are their stories This is our history The journey continues *Pacific Missionary George Brown 1835-1917* Margaret Reeson,2013-04-01 George Brown 1835 1917 was many things during his long life leader in the Wesleyan Methodist Church in Australasia explorer linguist political activist apologist for the missionary enterprise amateur anthropologist writer constant traveller collector of artefacts photographer and stirrer He saw himself at heart as a missionary The islands of the Pacific Ocean were the scene of his endeavours with extended periods

lived in Samoa and the New Britain region of today's Papua New Guinea followed by repeated visits to Tonga Fiji the Milne Bay region of Papua New Guinea and the Solomon Islands It could be argued that while he was a missionary in the Pacific region he was not a Pacific missionary Brown gained unwanted notoriety for involvement in a violent confrontation at one point in his career and lived through conflict in many contexts but he also frequently worked as a peace maker Policies he helped shape on issues such as church union indigenous leadership representation by lay people and a wider role for women continue to influence Uniting Church in Australia and churches in the Pacific region His name is still remembered with honour in several parts of the Pacific Browns marriage to Sarah Lydia Wallis daughter of pioneer missionaries to New Zealand was long and rich Each strengthened the other and they stand side by side in this account The Spectator ,1897
