Jail Writing News Report:

Writing as Punishment in Schools, Courts, and Everyday Life Spencer Schaffner, 2019-06-11 A probing and prescient consideration of writing as an instrument of punishment Writing tends to be characterized as a positive aspect of literacy that helps us to express our thoughts to foster interpersonal communication and to archive ideas However there is a vast array of evidence that emphasizes the counterbelief that writing has the power to punish shame humiliate control dehumanize fetishize and transform those who are subjected to it In *Writing as Punishment in Schools Courts and Everyday Life* Spencer Schaffner looks at many instances of writing as punishment including forced tattooing drunk shaming court ordered letters of apology and social media shaming with the aim of bringing understanding and recognition to the coupling of literacy and subjection Writing as Punishment in Schools Courts and Everyday Life is a fascinating inquiry into how sinister writing can truly be and directly questions the educational ideal that powerful writing is invariably a public good While Schaffner does look at the darker side of writing he neither vilifies nor supports the practice of writing as punishment Rather he investigates the question with humanistic inquiry and focuses on what can be learned from understanding the many strange ways that writing as punishment is used to accomplish fundamental objectives in everyday life Through five succinct case studies we meet teachers judges parents sex traffickers and drunken partiers who have turned to writing because of its presumed power over writers and readers Schaffner provides careful analysis of familiar punishments such as schoolchildren copying lines and more bizarre public rituals that result in ink covered bodies and individuals forced to hold signs in public Schaffner argues that writing based punishment should not be dismissed as benign or condemned as a misguided perversion of writing but instead should be understood as an instrument capable of furthering both the aims of justice and degradation

Jailhouse Journalism , During the past two centuries a vibrant prison press has chronicled life behind bars in American prisons championed inmate causes and challenged those in authority who sought to silence it At its apex several hundred periodicals were published by and for inmates Unlike their peers who passed their sentences stamping out license plates these convicts spent their days like reporters in any community looking for the story Yet their own story the lengthy history of their unique brand of journalism has remained largely unknown In *Jailhouse Journalism* James McGrath Morris presents the history of this medium the lives of the men and women who brought it to life and the controversies that often surround it The dramatic history of prison journalism has included many famous notorious and unique personalities such as Robert Morris the financier of the America Revolution the Younger Brothers of the Jesse James gang Julian Hawthorne the only son of Nathaniel Hawthorne men of the radical Industrial Workers of the World IWW Charles Chapin famed city editor of New York's *Evening World* until he murdered his wife Dr Frederick Cook North Pole explorer whose claim to have been the first to reach the pole is still debated today Tom Runyon who won a place for himself in history with an Underwood and Wilbert Rideau an illiterate teenaged murderer who raised prison journalism to the pinnacle of achievement In his new introduction Morris addresses the spread of prison journalism into other forms of media such as radio and the Internet He discusses the conflicts between those who publish jailhouse news and those who would wish to control or eliminate it altogether

Matrix ,1928 **Irish Women's Prison Writing**

Red Washburn,2022-11-16 This book explores 50 years of Irish women's prison writing 1960s 2010s connecting the work of women leaders and writers in Northern Ireland during the Troubles This volume analyzes political communiqués petitions news coverage prison files personal letters poetry and short prose and memoirs highlighting the personal correspondence auto biographical narratives and poetry of the following key women Bernadette McAliskey Eileen Hickey Mairead Farrell Seán Darragh Ella O'Dwyer Martina Anderson Dolours Price Marian McGlinchey formerly Marian Price and Eibhlín Ní Giolla Easpaig Ann and Eileen Gillespie Roseleen Walsh and Margaretta D'Arcy This text builds on different fields and discourses to reimagine gender and genre as central to an interdisciplinary and intersectional prison archive Centering Irish women's prison writings in order to challenge canonization in history and literature this volume argues that women's lives and words offer a different view of gender and nation as well as offer a fuller and more inclusive archive of Irish history and literature Additionally this book will point to the ways in which their politics of everyday life and their cultural work is a form of anti colonial civil rights feminism for it speaks truth to power in a world in which compliance and silence are valued Overall this text focuses on rethinking and recasting women's voices and words in order to document and promote the ongoing Irish freedom struggle from an abolitionist feminist perspective

The Sixties Arthur Marwick,2011-09-28 If the World Wars defined the first half of the twentieth century the sixties defined the second half acting as the pivot on which modern times have turned From popular music to individual liberties the tastes and convictions of the Western world are indelibly stamped with the impact of this tumultuous decade Framing the sixties as a period stretching from 1958 to 1974 Arthur Marwick argues that this long decade ushered in nothing less than a cultural revolution one that raged most clearly in the United States Britain France and Italy Marwick recaptures the events and movements that shaped life as we know it the rise of a youth subculture across the West the sit ins and marches of the civil rights movement Britain's surprising rise to leadership in fashion and music the emerging storm over Vietnam the Paris student uprising of 1968 the growing force of feminism and much more For some it was a golden age of liberation and political progress for others an era in which depravity was celebrated and the secure moral and social framework subverted The sixties was no short term era of ecstasy and excess On the contrary the decade set the cultural and social agenda for the rest of the century and left deep divisions still felt today
