Theology of Work Project: Provision and Wealth

THEOLOGY OF WORK PROJECT,INC,2022-05-03 God intends for everyone to thrive economically He wants us to find provision supply of what we need for our daily life He also desires for us to enjoy the abundance wealth of his generosity However we live and work in a world where some live extravagantly and have enormous wealth while many others struggle to scratch out a living going without even the basic necessities Questions and concerns about God s role in our provision and wealth weigh heavily on almost every Christian s mind whether we are rich or poor an employee or employer a student parent or retiree a homeowner tenant or homeless person Fortunately this concern for the economic sphere of our lives is matched by the priority it is given in Scripture Provision and wealth are far from peripheral issues in the Bible and feature prominently through both Old and New Testaments **Working in the Presence of God** Denise Daniels,Shannon

Vandewarker,2021-10-05 How do we invite God into our everyday lives Working in the Presence of God discusses the incorporation of spiritual disciplines into the ordinary rhythms of everyday experience God is already present and active so by becoming aware of workday rhythms and focusing on where various spiritual practices might be implemented in our jobs we can be transformed into Christ s likeness through our work We often think of spiritual practices as preparation for our regular lives in comfortable spaces and ideal settings we set aside time to hear from God But what if we can engage in these practices in the midst of our regular lives and particularly at work This transformation takes place when we surrender our working lives to God begin to hear his voice accept his pleasure and allow his guidance at work The spiritual practices outlined in the book include The Liturgy of Commute Workplace as Holy Ground Surrendering the Calendar Reading Scripture in Your Workspace Affirmation of Calling Gratitude for God s Blessing and Celebrating Success at Work Confession at Work Lamenting Work Solitude Working in God s Presence Prayer of Examen for Work Sabbath Ceasing from Work

Club and the Original A. A. Programs Absolute Essentials Dick B.,2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems

was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World
