researchers and graduate level students      All Made Up Rae Nudson, 2021-07-13 A fascinating journey through history and culture examining how makeup affects self empowerment how people have used it to define and defy their roles in society and why we all need to care There is a history and a cultural significance that comes with wearing cat eye inspired liner or a bold red lip one that many women feel to this day even if we don't realize exactly why Increasingly people of all genders are wrestling with what it means to be a woman living in a patriarchy and part of that is how looking like a woman whatever that means affects people's real lives Through the stories of famous women like Cleopatra Empress Wu Madam C J Walker Elizabeth Taylor and Marsha P Johnson Rae Nudson unpacks makeup's cultural impact including how it can be used to shape a personal or cultural narrative how often beauty standards align with whiteness how and when it can be used for safety and its function in the workplace to name a few examples Every woman has had to make a very personal choice about her relationship with makeup and consciously or unconsciously every woman knows that the choice is never entirely hers to make This book also holds space for complicating factors especially the ways that beauty standards differ across race class and culture Engaging and informative All Made Up will expand the discussion around what it means to participate in creating your own self image      *International Handbook for Policy Research on School-Based Counseling* John C. Carey, Belinda Harris, Sang Min Lee, Oyaziwo Aluede, 2017-10-04 This handbook examines policy research on school counseling across a wide range of countries and offers guidelines for developing counseling research and practice standards worldwide It identifies the vital role of counseling in enhancing students educational performance and general wellbeing and explores effective methods for conducting policy research with practical examples Chapters present the current state of school based counseling and policy from various countries focusing on national and regional needs as well as opportunities for collaboration between advocates and policymakers By addressing gaps in policy knowledge and counselor training the Handbook discusses both the diversity of prominent issues and the universality of its major objectives Topics featured in this handbook include The use of scoping reviews to document and synthesize current practices in school based counseling Contemporary public policy on school based counseling in Latin America Policy capacity building and school based counseling in Eastern Southern Africa Public policy policy research and school counseling in Middle Eastern countries Policy and policy research on school based counseling in the United Kingdom Policy research on school based counseling in the United States The *International Handbook for Policy Research in School Based Counseling* is a must have resource for researchers graduate students clinicians and related professionals and practitioners in child and school psychology educational policy and politics social work psychotherapy and counseling as well as related disciplines      *Indian Immigrant Women and Work* Ramya Vijaya, Bidisha Biswas, 2016-11-03 In recent years interest in the large group of skilled immigrants coming from India to the United States has soared However this immigration is seen as being overwhelmingly male Female migrants are depicted either as family migrants following in the path chosen by men or as victims of desperation forced into

the migrant path due to economic exigencies This book investigates the work trajectories and related assimilation experiences of independent Indian women who have chosen their own migratory pathways in the United States The links between individual experiences and the macro trends of women work immigration and feminism are explored The authors use historical records previously unpublished gender disaggregate immigration data and interviews with Indian women who have migrated to the US in every decade since the 1960s to demonstrate that independent migration among Indian women has a long and substantial history Their status as skilled independent migrants can represent a relatively privileged and empowered choice However their working lives intersect with the gender constraints of labor markets in both India and the US Vijaya and Biswas argue that their experiences of being relatively empowered yet pushing against gender constraints in two different environments can provide a unique perspective to the immigrant assimilation narrative and comparative gender dynamics in the global political economy Casting light on a hidden but steady stream within the large group of skilled immigrants to the United States from India this book will be of interest to researchers in the fields of political economy anthropology and sociology including migration race class ethnic and gender studies as well as Asian studies

**Justice and food security in a changing climate** Hanna Schübel, Ivo Wallimann-Helmer, 2023-08-14

The UN's Sustainable Development Goals saw the global community agree to end hunger and malnutrition in all its forms by 2030. However, the number of chronically undernourished people is increasing continuously. Ongoing climate change and the action needed to adapt to it are very likely to aggravate this situation by limiting agricultural land and water resources and changing environmental conditions for food production. Climate change and the actions it requires raise questions of justice, especially regarding food security. These key concerns of ethics and justice for food security due to climate change challenges are the focus of this book, which brings together work by scholars from a wide range of disciplines and a multitude of perspectives. These experts discuss the challenges to food security posed by mitigation, geoengineering, and adaptation measures that tackle the impacts of climate change. Others address the consequences of a changing climate for agriculture and food production and how the Covid-19 pandemic has affected food security and animal welfare.
