*Come, Bright Improvement!* Heather Murray,2002-01-01 The forerunner of today s book clubs nineteenth century literary societies provided a lively social and intellectual forum where people could gather and discuss books cultural affairs and current events In *Come bright Improvement* Heather Murray explores the literary societies of Ontario between 1820 and 1900 some of which are still in existence today and examines the extent to which they mirrored or challenged contemporary social political and intellectual trends Based on a wealth of original research with periodicals and local archival materials Murray traces the evolution from early political and debating clubs to more dedicated literary and cultural societies such as Shakespeare or Browning groups Many people formed literary societies including workers women Black fugitives and members of religious denominations such as Quakers and Methodists Murray studies the societies in detail exploring everything from the reading materials they favoured to the other kinds of social and civic activities in which they participated Of additional interest to scholars of book history is the book s resource guide which records the location history and archival deposits of several hundred societies A first in the study of the book club phenomenon *Come bright Improvement* is a wonderful introduction to nineteenth century Ontario the history of book studies and the history of reading      **Thinking and Learning through Children's Literature** Miriam G. Martinez,Junko Yokota,Charles Temple,2017-04-18 Much of teachers attention these days is focused on having students read closely to ferret out the author s intended meaning and the devices used to convey that meaning But we cannot forget to guide students to have moving engagements with literature because they need to make strong personal connections to books of merit if they are to become the next generation of readers literate people with awareness of and concern for the diversity of human beings around them and in different times and places Fortunately guiding both students personal engagement with literature and their close reading to appreciate the author s message and craft are not incompatible goals This book enthusiastically and intelligently addresses both imperatives first surveying what is gained when students are immersed in literature then celebrating and explicating the main features of literature students need to understand to broaden their tastes and deepen their engagement at the same time they meet external standards then presenting a host of active methods for exploring all major genres of children s books and finally presenting suggestions for interdisciplinary teaching units grounded in literature Created by noted leaders in the fields of children s literature and literacy the book is enlivened by recurring features such as suggested reading lists issues for discussion links to technology and annotations of exemplary books
