Looking For The Manual:

, The Vampire State Building Byron Preiss, 2013-03-02 What if your dad were president of the United States Some of the most famous people in the world would visit your house and you d have a new room to explore every day of the month And you might meet some residents of the White House that nobody s heard of like the family of bats living in the basement an anteater named Agatha who lives in the garden shed and a blue bear Each season with these new friends would bring new adventures Perhaps you d solve a mystery with the help of a Secret Service agent Or you could take a trip to the spooky Vampire State Building and hope you live to tell about it Originally published as The Bat Family Illustrated **Aviation**
