Marry to My Sister's Ex Boyfriend Tanny Precious, 2024-08-02 What do you do when your sister's ex boyfriend whom she dumped turns out to be a Spanish Prince and chooses to marry you to get revenge on her This isn't fair Leah screamed again Why on earth would Prince Estefan choose Rhea over me Leah's eyes landed on me and her face turned red in anger You She pointed her finger at me You did this didn't you You must have said something to Estefan that's why he chose you No wonder you were so negative about us getting married I should have noticed it that time My eyes widened at her accusations Leah What are you talking about I don't know anything about this Trust me I don't want to get married to Estefan All this came to me as a surprise Stop pretending She yelled at me and I jumped back in fear You have always wanted to be with Estefan that's why you got close to his sister You and his sister must have done something to make him choose What are you talking about I did no such thing I would never do something like that to you I cried Enough She raised her hand to stop me I should have realized sooner that you are a green snake under the green grass waiting for the right time to strike **My Sister's Wedding**, [Tales of Teenage Survival](#) Barbara Bershon, 2007-11 During adolescence family dynamics change and teenagers often view parents as obstacles rather than supports Teens wrestle with a range of crises from parental divorce to drug use Even moving can cause major disruptions since teenagers rely heavily on their peer group to help them through this time of change and self discovery Physical changes have an obvious impact So does the death of a
