George Kariuki,2017-07-19 You say it is 1 2 3 or A B C But who engineers who as goes the rapid changes of morality You or me or is it the vice me or you In fact the WORLD has changed Our lifestyle has changed too However would you caution on your relationship trends or would you walk on a travelled road well sure of the marked fates on our awful daily calendars at the same road Today the best model in our relationship and sexuality is the Bible as the major question is IS GOD HAPPY ON OUR SEXUAL ATTITUDE One Night Stand Cindy Kirk,2009-03-17 Which is probably why Marcee Robbins found herself

in the arms of a sexy stranger before the bouquet was even tossed at her best friend s wedding And after a night of hot caresses and knee weakening kisses in handsome Sam McKelvey s arms even happily single Marcee is humming the wedding march So when the sun comes up and Sam hits the road the usually tough as nails beauty finds herself nursing a tender heart Sam s not the kind of guy who would have a super hot hook up with a woman he barely knows But something about Marcee had him mesmerized enough for this usually sensible single dad to abandon his responsibilities for one unforgettable night But Sam never thought his one night stand would turn up as his new next door neighbor Or that once he glimpsed the soft side of this captivating woman he d find himself falling in love *Love, Heterosexuality and Society* Paul

Johnson,2007-04-11 Heterosexuality is a largely silent set of practices and identities it is assumed to be everywhere and yet often remains unnamed and unexplored Despite recent changes in the theoretical understanding and representation of sexuality heterosexuality continues to be socially normative Forging a new agenda for the study of heterosexuality this in depth volume the first research monograph to focus on heterosexuality and society presents an empirical study of the construction negotiation and enactment of heterosexual sexuality Using detailed interview data it investigates how heterosexuality as both an identity and a set of practices is accomplished through love relationships Rather than assuming

that romantic love is an outcome or expression of a pre defined sexuality Johnson explores how sexuality is brought to life through love Situated in the ongoing theoretical debates concerning the relationship between gender and sexuality Paul Johnson s book shows how ways of loving are interwoven with the construction practice regulation and government of heterosexuality Excellently written this important book also looks at gender in society and explores such areas as heterosexual subjectivities and the borders of desire As such the research it contains will be valuable for all students of sociology and gender studies

The Good Marriage: How and Why Love Lasts Judith Wallerstein,2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider

themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage

Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation. A best-selling author, Wallerstein employs a thoughtful, nonaggressive style that appeals to the general public. Wallerstein has performed an invaluable service in *The Good Marriage*. Elizabeth M. Tully, M.D., *Journal of Academy of Child and Adolescent Psychiatry*. Solid, impressive. Those interested in social policy should be pleased that so well-respected a liberal academic as Ms. Wallerstein has written a book that celebrates marriage and points the way toward restructuring it. *Wall Street Journal*. With extraordinary skill and compassion, Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy. Sylvia Ann Hewlett. A very appealing book, clearly written and clearly thought out. *Library Journal*. Wallerstein's major contribution is not about how and why love lasts, but about how and why love develops. It is in such a context, less idyllic but more realistic, that the book will prove to be a lasting contribution. *Readings: A Journal of Reviews and Commentary in Mental Health*. *The Crime* Maggie Cole, 2023-10-15. Mr. Dimples: I don't want you to be a gentleman. On the first night of my vacation, I threw my no more men out the window without even thinking about it. Fellow New Yorker Jack Stevens doesn't do relationships. Since I'm fresh out of a six-year bad relationship, it's perfect. I need to figure out who I am. But Jack wants more. And I don't just want him; I need him. We soon discover we share more in common than friends. Turns out our pasts connect us to the same horrific crime. And it quickly comes back to try and take our safety, freedom, and each other away. *The Crime* is the third novel of the *All In Billionaire* series. This sizzling novel features a billionaire love-at-first-sight romance and a guaranteed HEA.
