is true Thus many people think of the Bible as a story book or a book of historical literature therefore whether it is true or not is immaterial Many people say they believe in some parts and not others We know that the Bible is the true inspired and inerrant accurate Word of God if part is true all is true If it is all true we must face the truth about our moral character Thus through independent research and with the goal of Scripture proving Scripture rather than relying on what man says about Scripture this book gradually came together exploring such topics as What God Says Statistical Proof Historical and Archeological Evidence Prophecy And finally a look at how the various versions of The Bible came about and a candid discussion of how accurate or inaccurate they are Let Dr West Stellick lead you on an exciting journey that lays the foundation and then covers 3 500 years of writing translations discoveries and more Authentic Inspired Inerrant and True will bring you to the fact based conclusion The Bible is God s Word to us
